PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 96-9574

Dear Permit Holder(s):

The Department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The next step in the process of developing a water right is for the Department to conduct a field examination to determine and confirm the use being made of the water.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the Department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any Department office or at the Department's website at www.idwr.idaho.gov.

If you have any questions concerning the field examination, please contact the Northern Region Office of the Department located in Coeur d'Alene at (208) 762-2800.

Sincerely,

A handwritten signature in blue ink that reads "Darla Block".

MEMORANDUM

TO: File 96-9574

FROM: Daniel A. Nelson

DATE: September 20, 2016

SUBJECT: In-field exam to be done.

This permit has a companion permit that needs a field exam completed. I contacted Adam Fredrick at the northern region office and we agreed that it would be best to both field exams at the same time. The companion exam for this property requires field verification, so it only makes sense to verify both permits at the same time.
