Hi, Holly,

This is a second legal notice to begin publishing on the dates indicated, September 15 and 22, 2015 (once a week for two consecutive weekly issues). This and the other legal we submitted earlier today are **both for the Coeur d'Alene Press**.

This should also be very close to press ready – for 2-column, 8pt, Century Old Style font. I hope this also will be close enough to just copy and paste, with very little modification required.

Please note the area(s) under **USE** containing dates and water amounts that are offset and lined up. Our legal should appear in this format.

Please also send a proof/preview copy for my review before this actually goes to press.

If you cannot publish the notice on the proposed dates, please contact us immediately.

An affidavit of publication must be submitted to the Department along with the publication bill. Please send the affidavit and bill to this office before 10/3/2016. Your cooperation is appreciated.

Again, I thank you very much for all you do to help our legals publish as requested, and look so good.

If you have any questions, please contact me as early as possible.
