Re: Change of Ownership for Water Right/Permit No(s): 37-7505A, 37-7505B, 37-13206 & 37-13207

Dear Water Right Holder(s):

The Department acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records to reflect this change in ownership and has enclosed a computer-generated report for your records.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see § 42-222 and §42-223, Idaho Code.

A refund of \$200 has been requested and will be sent to Mc Hugh-Bromley Law under separate cover from the State Controller's Office. The fee for an Application to Lease a Water Right to the Water Supply Bank is 4250 per water right. Fee for an ownership change is \$25 per water right. With regards to water rights 37-7505A and 37-7505B, no fee is required since Michelle was listed as one of the owners of those water rights. The Department doesn't require a fee in those cases. With water rights 37-13206 and 37-13207, a fee is required since Michelle was not listed as an owner.

Also note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within **120 days** of the change. Water right forms are available from any office of the Department, or at www.idwr.idaho.gov.

If you have any questions concerning the enclosed information, please feel free to contact me at (208) 287-4942.

2ND NOTICE

MICHELLE WOLF
PO BOX 433
FAIRFIELD ID 83327

RE: Notice of Change in Water Right Ownership No(s). 37-13206 and 37-13207

Dear Interested Party(s):

The Department of Water Resources received a request for a Notice of Change in Water Right Ownership from you on April 19, 2016. Correspondence was sent on April 21, 2016, documentation to update the ownership of water rights 37-13206 and 37-13207.

This request also included water rights 37-7505A and 37-7505B. The ownership of these water rights was changed according to the documentation provided. However, Michelle was not listed as an owner on water rights 37-13206 and 37-13207. The Department requires a conveyance document that puts the land appurtenant to these rights in your name. A deed that conveyed the property to Michelle and Shannon Wolf, along with the death certificate provided, would be sufficient

You can mail the document to IDWR, PO Box 83720, Boise, Idaho, 83720-0098, email to: jean.hersley@idwr.idaho.gov or fax to: 208-287-6700, attn: Jean

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 10 days we will return your notice and all attachments and your notice will not be processed.

Please contact me at (208) 287-4942 if you have any questions regarding this matter.

Sincerely,

Jean Hersley

RE: Notice of Change in Water Right Ownership No(s). 37-13206 and 37-13207

Dear Interested Party(s):

The Department of Water Resources received your request for a change of ownership of water rights 37-7505A, 37-7505B, 37-13206 and 37-13207. The ownership of water rights 37-7505A and 37-7505B have been updated since you were listed as an owner on the water right. I have enclosed water right reports for your convenience.

However, you are not listed as an owner on water rights 37-13206 and 37-13207. Adding a name to a water right is considered an ownership change and requires the proper documentation and fees. Please provide to the Department a conveyance document that puts the land appurtenant to these water rights in your name.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. You also submitted an application to lease water right 37-7505A to the Water Supply Bank and paid a fee of \$500 with the ownership request. The fee to lease a water right to the Bank is \$250. The Department will transfer \$50 of the fee paid to the ownership change as soon as we receive the proper documentation and refund the remaining fees to McHugh-Bromley.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your request unprocessed. You can send the documents to the address above, fax it to (208) 287-6700, attention Jean or email to jean.hersley@idwr.idaho.gov.

Please contact me at (208) 287-4942 if you have any questions regarding this matter.

Sincerely,

Re: Water Supply Bank Lease/Rental Application – Michelle Wolf

Please find enclosed an Application to Lease a portion of her water right no 37-7505A to the water supply bank and an Application to Rent that water right for use on ground that she leases. I have enclosed a copy of the lease that shows she is authorized to irrigate the place of use and that she owns all of the irrigation equipment.

I have also enclosed a check from our firm for the fee.

I have also included a Notice of Change of Ownership form with her applications to remove her husband Shannon Wolf's name from the water rights as he is deceased. A copy of his death certificate is also included. I understand that there is no fee associated with this change of ownership.

We would like the applications processed as soon as possible and use the water this year.

Let me know if you have any questions.

Very Truly Yours,

Candice McHugh
