Nick,

With respect to the 9/1/2016 letter to Salmon River Tours and Randall Budge which you 'cc'd to me, I learned today that the Forest Service is working with Salmon River Tours toward an authorization of their occupancy and use of NFS lands for 77-14361. At the present time authorization has not been granted. I will let you know as soon as I am told what the result of this effort is.

If there are any questions about this matter please contact me.

Thank you,

Steve
