Re: Eight Mile Ranch, LLC – Transfer Application

Dear Blake:

Enclosed please find the original and two extra copies of a revised Application for Transfer for filing and processing. Our check for the filing fees in the amount of \$2,940.00 was submitted with the original Application on June 30, 2015. The issues raised in your letter of August 4, 2015 based on a preliminary review of the Application previously submitted is as follows:

1. Part 1.B. has been revised to provide a complete description of the rights involved in the transfer.
2. In the Narrative describing the purpose of transfer in Part1A.2. the total irrigated acres has been revised to 1,825.8.
3. The point of diversion for Trail Creek has been corrected, as shown in the revised application.
4. Enclosed is a letter from Western Ag Credit FLCA providing their consent to the proposed changes.
5. Based on conversations with Joe Ballstaedt, it is my understanding that any ownership issues that the Department had concerning the land previously believed to be owned by Railroad Springs Ranch, LLC have been resolved.
6. With respect to the beneficial use claims, water right nos. 11-7691 and 11-7692, attached are Affidavits of Wade Harris and Randall C. Budge provided in support of the information requested.

Please proceed with the processing of this Application and conform stamp and return the extra copies, one to me and one to the Applicant. If you have any questions, please don't hesitate to contact me. Thank you for your assistance.
