NOTICE TO RESUME WATER USE

Re: Water Right Nos. 63-10383 and 63-34225

Dear Applicant:

On November 16, 2011 the Idaho Department of Water Resources (Department) approved an Application for Extension of Time to Avoid Forfeiture for water right 63-10383. Your water right was split from 63-10383. According to our records, you are the current owners of the water right 63-34225 that was split from 63-10383 through a change in ownership. One condition of the extension of time approval was that diversion and use of this water must resume on or before November 1, 2016. Failure to resume use of the water and to notify the Department of the resumed use would be cause for the water to revert back to the state and again be subject to appropriation.

Enclosed is the Resumption of Use form for your use to notify the Department of your resumption of use of the water right. Please complete the form and return it to my attention at the above address. Also enclosed is a copy of the certified letter that was sent to the applicant for extension of time.

We previously sent this letter to CS PROPERTY DEVELOPMENT LLC, PO BOX 2101, BOISE ID 83702 and it was returned undeliverable. This is the address we have on file for you. If this is incorrect, please complete and submit the enclosed Change in Address form.

If you have any questions regarding this matter, please contact me at (208) 287-4881.

Sincerely,

 Sandra Thiel
Senior Water Resource Agent
