Dear Sir,

On April 27, 2016, Cherie Palmer sent you scanned images of documents related to lapsed water appropriation permit 85-15690. Cherie was not aware that IDWR had recently met with other individuals to discuss permit 85-15690. Notes and correspondence resulting from the meeting were just added to the electronic file for the permit. They can be viewed online at

Please call or email if you have questions.
