

MEMORANDUM

DATE: September 6, 2016

TO: Water Right File 85-15690

FROM: Shelley W. Keen 

RE: Phone inquiries

On Friday, September 2, 2016, I spoke on the telephone with Mark Snyder, a Lewiston attorney, about the petition to reinstate lapsed permit 85-15960. Mark represents investors involved in litigation over the proposed Tammany View subdivision development. Earlier in the week I spoke with Boise attorney Mike Creamer, who represents the developer.

I told both Mark and Mike that IDWR had not reached a firm decision yet, but that I hoped to have determined a path forward by mid-September.
