Re: Change of Ownership for Water Right/Permit No(s): 63-3488, 63-4807, 63-19139 and 63-19140

Dear Water Right Holder(s):

The Department acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records to reflect this change in ownership and has enclosed a computer-generated report for your records.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see § 42-222 and §42-223, Idaho Code.

Also note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within **120 days** of the change. Water right forms are available from any office of the Department, or at www.idwr.idaho.gov.

If you have any questions concerning the enclosed information, please feel free to contact me at (208) 287-4942.

Sincerely,

Jean Hersley

RE: Notice of Change in Water Right Ownership No(s). 63-3488, 63-4807, 63-19139 and 63-19140

Dear Interested Party(s):

The Department of Water Resources received a Notice of Change in Water Right Ownership from you on August 29, 2016. During the review, it was discovered that additional information was needed to complete this request.

The information needed is a copy of the conveyance document- warranty deed, quitclaim deed, etc. that conveys the water right or the land appurtenant to the water right into your name. The conveyance document must include the legal description of the property.

Also, effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined that the filing fee for your notice will be \$100.

DL Evans Bank submitted a Notice of Security Interest ^{of} ~~if~~ a Water Right for the water rights listed above. These notices require a fee of \$25 per water right also. The Department receive a payment of \$100 for this request.

Because the Department cannot process the ownership change without proper documentation and fees, we will hold any action on your notice pending receipt of the necessary information and fees. If we do not receive the necessary information and fees within 30 days we will return your request unprocessed. Please send the documents and fees to the address above.

Please contact me at (208) 287-4942 if you have any questions regarding this matter.

Sincerely,

Jean Hersley
Technical Records Specialist II
