Jonie,

At this time, please move forward with processing no. 35-12752 separately. However, you may keep the money for no. 35-12754 because we are just waiting on a client signature to send the amended form in.

Let me know if you have any other questions.

Thank you,
Sarah

Sarah,

According to my notes I was waiting for you to verify you wanted me to refund the fee for 35-12754 and process only 35-12752. If that is what you want me to do I can complete that application today. If you have any other questions please let me know.

Jonie,

I checked up on the water rights that we changed ownership for the Hunt family and noticed that 35-12752 has not changed on the Department's website yet. I thought we had everything completed on this Notice of Change in Ownership. Is there something holding up the change in ownership on that right? Please let me know so we may complete the process and change the ownership as soon as possible.

Thank you,
Sarah

I can definitely remove that water right from the form. If you want me to proceed with the water rights we have the information for I can complete them typically we would hold on to the ownership change until we have all the information to proceed but I can go ahead and complete the ownership change for the following water rights

35-12752 remove 35-12754 and refund \$25.00
35-8581A
35-8071
35-8891
35-12755

Let me know if that is what you want me to do and I will get that information updated and the applications processed. Thank you again.

Jonie,

If we remove Water Right No. 35-12754 from this Notice of Change in Ownership, may we move forward with the Change in Ownership for Water Right No. 35-12752? We may have to do a separate Notice of Change in Ownership for Water Right No. 35-12754, but are not prepared to do that at this time.

Thank you,
Sarah
