Corey-

Per our telephone conversation this morning, I am requesting IDWR correct the acreage value listed in Condition #2 on approved IDWR Transfer 79478. This condition incorrectly identifies the combined acre limit associated with water rights 37-8414 and 37-8760 as 4.5 acres. The correct combined acre limit is 5.5 acres for these two water rights as listed in Condition #3. I have copied Sun Valley Trust on this email request, please let me know if you need any additional information or if you have any questions. Thanks again for your time and assistance.
