Re: Proof of Beneficial Use and Beneficial Use Field Report
Water Right 37-22354 Damasco Trust

Dear Allen:

Enclosed are a Statement of Completion and the completed Beneficial Use Field Report for water right permit 37-22354, in the name of Jude P. and Julia Mandeville Damasco Trust.

I understand that, since the Field Report is prepared by a Certified Water Rights Examiner, there is no fee required.

I have enclosed the orders which you issued waiving the need for water measuring devices at the source (Indian Creek) and the pond outlet.
Thank you for your assistance.

Please copy our office on all correspondence regarding this application.

Sincerely,

Charles E. Brockway P.E. PhD.
