Subject: Application for Transfer of Water Right – Point(s) of Diversion, Water Right 29-7450

Dear Agency:

Please find the enclosed Application for Transfer of Water Right – Point(s) of Diversion, as well as, the supporting documentation and payment of fees for the transfer of Water Right 29-7450 owned and operated by the City of Pocatello.

Water Right 29-7450 is currently associated with two listed points of diversion (POD) located within T06S, R33E, NE1/4 SE1/4, Section 10 (Well 35) and T06S, R33E, SW1/4 NE1/4, Section 15 (Well 39) within the Eastern Snake Plain Aquifer. Due to the recent relocation and replacement of Well 39, the former well will be properly decommissioned and this point of diversion no longer utilized. The City of Pocatello desires to update any formerly associated water rights at the previous location to the new point of diversion of Well 39, now located within T06S, R33E, SW1/4 SE1/4.

The City of Pocatello is requesting your review of this application for POD transfer. If you should have any questions regarding this application, please do not hesitate to call my office at (208) 234-6174. Thanks for your review and assistance.

Sincerely,

Justin Armstrong
Water Superintendent
City of Pocatello
