| Changed status from active to see remarks for the purpose of creating a transfer for parent right 74-2047C that will correct the place of use. Problems became apparent upon analysis of several ownership changes that have already been processed. Once the transfer is approved, the right can be split appropriately and the children can be made active again. | | | |
| 9. | mhollday | 3/14/2013 | status change |
| Transfer 78306 corrected the POU description of parent right 74-2047C. Therefore, it is now possible to correctly split the right with the previously filed ownership changes. The appropriate changes have now been made to this right and the status has been changed back to active. | | | |
