PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 72-16873

Dear Permit Holder(s):

The department acknowledges receipt of the proof of beneficial use form (proof) submitted for the above referenced permit. During my review of your proof and water right permit, I found that condition no. 5 of this permit states:

"Prior to diversion of water under this right, the right holder shall install a lockable device, subject to the approval of the Department, in a manner that will provide the watermaster suitable control of the diversion."

I recommend that this condition be complied with immediately and prior to the field examination. Enclosed is a copy of this permit for your information. If you feel this requirement is unnecessary you may request in writing to the Department that the requirement be waived. Additionally, you must contact the watermaster about his need for this requirement. If he agrees that the lockable device requirement is unnecessary, request that he/she provide the Department with written agreement that the requirement can be waived at this time. Upon receipt of your request and his acknowledgement the Department will issue an order waiving the requirement at this time.

A \$175.00 license examination fee was also submitted with the beneficial use form. This permit authorizes a diversion rate of 0.34 cfs (cubic feet per second) requiring a license examination fee of \$100.00. The \$75.00 portion of the submitted fee in excess of the required amount will be returned to you in a separate mailing.

The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use being made of the water.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office or at the department's website at www.idwr.idaho.gov .

If you have any questions concerning the field examination, please contact the Southern Region Office of the department located in Twin Falls at (208) 736-3033.

Sincerely,
