PROOF DEFICIENCY LETTER

RE: Permit No. 91-7388

Dear Permit Holder(s):

On August 15, 2016, the Department received a proof of beneficial use (proof) form for the above referenced permit. The proof form was submitted without the required fee. A copy of the form is enclosed for your reference.

This permit authorizes a diversion rate of 0.04 cfs (cubic feet per second) from surface water requiring a license examination fee of \$50.00. Please submit the \$50.00 license examination fee required. The Department cannot process the proof form without the fee.

Please submit the required fee at your earliest convenience before the proof due date of **September 01, 2016** to avoid the possibility of your permit lapsing. If you have any questions concerning this matter, please contact me at (208) 287-4945.

Sincerely,

A handwritten signature in black ink that reads "Darla Block".
