RE: Application Permit No. 74-16010

Dear Ms. Cox,

Eagle Valley Ranch has reviewed the application for this permit and we do not see any problems with the application request. Past history has shown these springs have always run in to the L8 irrigation ditch and gone down the ditch to Cockrell and Sons property. We do not have the availability to use this water to irrigate below the irrigation ditch on our property.

Sincerely,

Eagle Valley Ranch LLC
