RE: Transfer Application

Dear Applicant:

I was in the process of completing the final review of the transfer application that you submitted to update your place of use. I found that there is an important document missing from the application.

Your proposed place of use is owned by Rexburg Hill Properties and MBP Industries LC CRUT.. In order to continue processing your application, I will need a copy of the lease agreement – showing that you have authority to use this property. Any sensitive information may be blacked out. There was some documentation included with your application. However, there were pages missing. Please submit the agreement in its entirety.

If you have any questions, please let me know.

Sincerely,

Kerrie Mathews
