Dear Applicant(s):

The Department of Water Resources has received a Conditional Withdrawal of Protest against the above referenced application. This withdrawal was received from the following protestants:

This is in addition to the Withdrawal of Protest received from Idaho Power Company on July 27, 2015. This application does not have any remaining protests; therefore, the department will take the steps necessary to bring the application to a final resolution.

Please contact this office if you have any questions regarding this procedure. Information about water rights and other matters administered by this agency is also available on the Internet at www.idwr.idaho.gov.

Sincerely,
