Re: Change of Ownership for Water Right/Permit No(s): 57-11677

Dear Water Right Holder(s):

The Department acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records to reflect this change in ownership and has enclosed a computer-generated report for your records.

Water Right 57-1677 is a permit. Permits are considered personal property and therefore require an Assignment of Permit. However, since an assignment could not be obtained from the permit holder of record, the Department accepted a Notice of Change in Water Right ownership from you. You are listed as present owner and when this permit is licensed, the license will be in the name of Katherine H. Laritz.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see § 42-222 and §42-223, Idaho Code.

Also note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within **120 days** of the change. Water right forms are available from any office of the Department, or at www.idwr.idaho.gov.

If you have any questions concerning the enclosed information, please feel free to contact me at (208) 287-4942.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jean Hersley'.

RE: Notice of Change in Water Right Ownership No(s). 57-11677

Dear Interested Party(s):

The Department of Water Resources received a Notice of Change in Water Right Ownership from you on December 14, 2015. During the review, it was discovered that additional information was needed to complete this request.

The information needed is a copy of the conveyance document- warranty deed, quitclaim deed, court decree, etc. The conveyance document must include a legal description of the property or a description of the water right if no land is conveyed. The conveyance document conveys the property from the previous owner to you.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your request unprocessed. You can send the documents to the address above, fax it to (208) 287-6700, attention Jean or email to jean.hersley@idwr.idaho.gov.

Please contact me at (208) 287-4942 if you have any questions regarding this matter.

Sincerely,

A handwritten signature in black ink that reads "Jean Hersley". The signature is written in a cursive, flowing style.
