RE: Ownership Change Water Rights: 75-93D and 75-14748

Dear Property Owner:

The Department of Water Resources acknowledges receipt of your request for a Notice of Change of Water Right Ownership on water rights 75-93D and 75-14748. After reviewing your request, it was determined additional fees will be needed to complete this request as water right 75-14748 will also need to be split as the place of use for this water right covers property you do not own.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 **per** water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. The Department has determined that the additional filing fee for your notice will be **\$75**.

Because the Department cannot process the ownership change without proper fees, we will hold any action on your notice pending receipt of the necessary fees. If we do not receive the necessary fees within 30 days the Department will split water right 75-14748 and we will not update the ownership on water right 75-93D.

Please contact me at 208-287-4920 if you have any questions.

Sincerely,

Debbi Judd
Technical Records Specialist
