FIELD EXAM NOTICE

RE: PERMIT NO. 84-12279

Dear Mr. Eller:

Please telephone or contact me at the Idaho Department of Water Resources (IDWR) address shown above to schedule a Field Exam at the Empire Lumber (Weippe) property for Water Right Permit 84-12279. A copy of the Permit and a copy of Well Driller's Report D0054612 are enclosed.

Idaho Department of Water Resources (IDWR) is planning to conduct water right Field Examinations in the vicinity of your Permit during the week of **July 20-24, 2015**. The Examination for Empire Lumber is required to verify your water use in order to issue a Water Right License. Please be advised that you, or a person familiar with the water system for the property, will need to operate the system under normal conditions during the Examination.

I can be reached at (208) 762.2816 if you have any questions.

Respectfully,

Shaun M. Maxey
Sr. Water Resource Agent
Idaho Department of Water Resources, Northern Region
