RE: Change in Address/Change in name for water right no(s) : 91-7333 & 91-7334

Dear Water Rights Holder,

The Department acknowledges the receipt of correspondence changing the address for the above mentioned water rights. The Department has modified its records to reflect this change.

However, a Notice of Change in Water Right Ownership is required to change the name listed for the water rights. As of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within 120 days of the change.

Enclosed is a copy of the Notice of Change in Water Right Ownership form. Please complete and submit the form to our office.

If you have any questions or concerns, please feel free to contact me at (208) 762-2800.

Sincerely,

A handwritten signature in blue ink that reads "Natalie Steading". The signature is written in a cursive, flowing style.
