RE: Refund: Ownership Change 63-31892

Please refund \$75. JAYLEN & LEAH WALKER filed an ownership change for 1 water right on 8/19/2013. This was submitted as a split with a \$100 payment, but the water right did not need to be split. Danie Merriman processed the ownership change on 10/09/15, but did not initiate a refund at the time.

Please issue a refund of \$75.00 to:
