

## CONVERSATION MEMORANDUM

**TO:** Water Right Permit File No. 87-10083

**FROM:** Darla Block

**DATE:** July 12, 2016

**SUBJECT:** Typographical Error of Proof Due Date Listed on Permit  
& Proof of Beneficial Use filed.

---

- **Permit allowed a development period from May 25, 2016 to June 01, 2016.**
- **Proof of Beneficial Use filed on June 16, 2016.**

This morning I spoke with Terry Gregory (permit holder) to find out if he was in fact done with all development listed under this permit. I explained that if he had not yet completed the entire development that he could withdraw his proof statement he filed June 16, 2016, and have a year for completion of the development based on the fact that the Department made a typographical error of the proof due date on his permit.

During my telephone conversation with Mr. Gregory he informed me that he was done with the development listed on his permit, therefore I informed him that I would be able to move forward with processing his proof statement.
