RE: Water Right 86-7321

Dear Ms. Schumaker:

We received your letter asking about water rights on July 22. You asked about claims for domestic water rights. If you intend to divert surface water for domestic use, you need to file an application for permit. You may divert ground water for domestic use without a water right. I have enclosed a copy for an application for permit. I have also enclosed a water right report for your existing right and a map of that right. Based upon your letter I have also updated our records to reflect your change in address. Right 86-7321 will now show your address as Box 217 Deary. If you have any questions, you may contact me at (208)287-4881 or sandra.thiel@idwr.idaho.gov

Respectfully,

A handwritten signature in cursive script that reads "Sandra Thiel".

Sr. Water Resource Agent
