RE: Application for Permit No. 96-9611, Letter of Protest

Dear Mr. Chase,

I received the letter of inform of protest from you today. Enclosed was the letter from the protestant, Jeffrey Pennick.

I took your advice and made direct contact with him and had a very amenable conversation. Mr. Pennick felt that it would help if we could meet together with a representative of IDWR to help hammer out some details that would protect his water rights but also meet my needs for a water system.

Do to prior commitments, my only available time to meet in person would be during the period of June 24-July 1. Mr. Pennick said he should be available during this time. Would we be able to set up a meeting in the Coeur d' Alene office to accomplish this?

Thank you,

Robert Trotter
