

MEMORANDUM

Date: June 23, 2016
To: Applications for Transfer 80592 & 80644 Mulkey
From: Pam Skaggs 
Re: Protest & Pre-Hearing Conference

I conducted a prehearing conference today by telephone to discuss the protests on Applications for Transfer 80592 & 80644 filed by Brent W. Mulkey. The two protestants, the applicant, Hartvigson Ranch manager, Upper Salmon Basin Watershed representative and IDWR staff were in attendance.

All parties were given opportunities to share their perspective and concerns. The exchange and questions between parties were reasonable and productive. The primary issues relate to measuring and confirming amounts of water allowed to remain in Pratt Creek to its tributary Sandy Creek for rediversion.

Following our discussion both protestants agreed that their concerns were resolved, and they provided email addresses to receive protest withdrawal forms. The forms were sent today. We will withhold action for two weeks to allow receipt of the protest withdrawal forms. If forms are not received, the applications will be forwarded to the hearing officer to schedule a formal hearing.
