1. erushing 3/24/2016 Ownership Change
Water right 98-2034 has been divided by ownership changes into 4 parts. 98-7966 - Steve M. Koppang, 98-7967 - Clifty View Nursery, Inc., 98-7968 - Lonnie E. and Donna M. Merrifield, with the balance of water right 98-2034 remaining in the name of George I. and Rita C. Koppang.

The location of water right 98-2034 before the ownership change was determined by the adjudication map for Civil Case Number 5745. This map indicated 24 acres of irrigation for water rights 98-2034 and 98-100. Since this right is for only 16 acres of irrigation, each portion was reduced proportionately.

The decree for water right 98-2034 has a clerical error for the domestic portion of this water right. The max amount and the max rate are reversed. Per the decree, the total max rate for irrigation use and domestic use is 0.32 cfs.
