CONDITIONS OF APPROVAL

1. Domestic use is for 15 homes.
2. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 01.
3. A lockable device subject to the approval of the Department shall be maintained on the diverting works in a manner that will provide the watermaster suitable control of the diversion.
4. Consumptive use of water under this right shall not exceed 2.0 acre feet per day.
5. The issuance of this right does not grant any right-of-way or easement across the land of another.

State of Idaho
Department of Water Resources
Water Right License
WATER RIGHT NO. 23-07102

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

Signed this 20th day of July, 2016.

JAMES CEFALO
Water Resource Program Manager
