RE: Notice of Change in Water Right Ownership
Water Rights: 34-14175, 34-14173, 34-14177 & 34-14179

Dear Sir/Madam:

On January 22, 2016, you filed a Notice of Change in Water Right Ownership (ownership change) with the Idaho Department of Water Resources (IDWR), seeking to update the ownership records for the water rights listed above. After an initial review, we determined that you needed to provide additional evidence of ownership, and a filing fee. On January 28, 2016, we sent a letter requesting the additional information. The additional information was to be provided within 30 days.

IDWR has never received a response to the request for additional information. Without the requested documents, we cannot verify ownership of the water right and cannot complete the ownership change.

Please feel free to re-file your ownership change any time in the future when you have collected the requested documentation of ownership. Because your filing fee is being refunded, you will need to determine and provide the proper filing fee at the time you re-file the ownership change.

If you have any questions, feel free to contact me at (208) 525-7161.

Respectfully submitted,

Jonie Barg
