RE: Assignment of Permit/Ownership Change/Security Interest
Water Rights: 22-173 & 22-10542

Dear Sir/Madam:

On March 03, 2016, you filed an Assignment of Permit with the Idaho Department of Water Resources (IDWR), seeking to update the ownership in the records for the water rights listed above. After an initial review, we determined that the water right was no longer a permit and that a Notice of change in Water Right Ownership application is required. On March 30, 2016 and May 6, 2016 we sent a letter requesting the additional information. The additional information was to be provided within 30 days.

IDWR has never received a response to the request for additional information. Without the requested application, we cannot update the ownership for the water rights. We are therefore returning your original Assignment of Permit and have initiated a refund of your filing fee (\$25.00). The refund from the state of Idaho will arrive at the address listed above within a couple of weeks.

Please feel free to file an ownership change any time in the future when you have completed the required application. Because your filing fee is being refunded, you will need to determine and provide the proper filing fee at the time you file the ownership change.

If you have any questions, feel free to contact me at (208) 525-7161.

Respectfully submitted,

Rhea,

Good morning!!

I have a refund request as follows:

Receipt number: E041882/ E042266/ E042040
Amount: \$25.00/ \$25.00/ \$25.00
Payable to: Northwest Farm Credit Services
1036 Erikson Dr
PO Box 157
Rexburg ID 83440

Reason: Total filing fee received \$25.00 for 3 Assignment of Permits. Each assignment filed was for a water right not a permit. After talking with Northwest Farm Credit they requested that all be returned unprocessed. So there are 3 separate receipts for \$25.00 each that need to be refunded, for a total of \$75.00. Let me know if you have any questions. Each receipt is attached for your review.

Let me know if you need additional information.

Thank you so much for your time. Let me know if you have any questions.

Have a great day!!!

RE: Owen David & Barbara Lee Moulton

Recently Owen & Barbara Moulton financed a piece of property with us, and this refinance included Water Permit Numbers 22-173 & 22-10542. Northwest Farm Credit Services provided the loan for the purchase and currently holds this property as collateral. Please add us to the ownership of the permit and please forward copies of all notices and correspondence to:
