RE: Change in Address
Water Rights: 25-7563

Dear Sir/Madam:

On May 25, 2016, you filed a Change in Address (address change) with the Idaho Department of Water Resources (IDWR), seeking to update the address records for the water rights listed above. After an initial review, we determined that you needed to provide an additional information before the department could change the address on the water right. On June 8, 2016, we sent a letter requesting the additional information. The additional information was to be provided within 30 days.

IDWR has never received a response to the request for additional information. Without the requested documents, we cannot verify the address change should take place.

Please feel free to re-file your address change any time in the future when you have collected the requested documentation.

If you have any questions, feel free to contact me at (208) 525-7161.

Respectfully submitted,

Jonie Barg
