Hi, Holly,

Please publish the enclosed legal notice in the Bonner County Daily Bee on the dates indicated (once a week for two consecutive weekly issues). If you cannot publish the notice on the proposed dates, please contact us immediately.

This should be very close to press ready – for 2-column, 8pt, Century Old Style font. Hopefully this will be OK for copy and paste with

I've made a couple minor adjustments in my formatting to hopefully eliminate your layout or formatting people having to line up anything within the body of the legal notice in that USE area that has sometimes created difficulties.. Hopefully this will simplify things for your layout or formatting people. Let's just see how a proof looks.

Please also send a proof/preview copy for my review before this actually goes to press so I can check content and make sure I didn't leave something out.

If you have any questions, please contact me as early as possible.

An affidavit of publication must be submitted to the Department along with the publication bill. Please send the affidavit and bill to this office before 8/8/2016. Your cooperation is appreciated.

Holly, it's always a pleasure working with you. Hoping even this small change will make things easier on your end.
