RE: Pre-hearing Conference Calendar from Gary and Joan Jenson

I spoke with Mr. Jenson last week regarding his availability calendar for a pre-hearing conference on his protested application for permit 74-16042. He said he faxed it in but I did not receive it. He said he would try again but I never received it. He told me he was available anytime EXCEPT the last week in September for a pre-hearing conference. I have scheduled that meeting for August 16, 2016. It will be a conference call.
