RE: Water Rights No(s) : 81-10273, 81-10274, & 81-10275

Dear Ms Goettle,

On July 11, 2016 the Department of Water Resources (Department) received a Notice of Change in Water Right Ownership for the above referenced water rights. However, in order to complete the process for the ownership change, the Department needs the following corrections made to the document:

1. The date the water rights were acquired needs to be listed by the claimant on the document.
2. A filling fee of \$25 **per water right** needs to be submitted with the paperwork.

The Department is returning the Notice of Change in Water Right Ownership and all related documents until such corrections have been made.

If you have any questions, please contact our office at (208) 762-2800.

Sincerely,

Natalie Steading
Technical Records Specialist I
