RE: Change of Address for Water Right No's. 63-182 & 63-216A

Dear Water Right Holder:

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing the address of the above referenced water right(s) to you. The Department has modified its records to reflect this change in ownership and has enclosed a computer-generated report for your records.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage on the Internet to obtain the proper forms and instructions, www.idwr.idaho.gov.

The Department's records will continue to reflect ownership of both water rights under Gardner Mace Ranch LC. The Change in Address form has Gardner Company listed as the owner of the water rights, but ownership cannot be changed from the Change in Address form. If ownership has changed from one business entity to another, a Notice of Change in Water Right Ownership would need to be submitted to the Department. A copy of the ownership change application has been included for your convenience.

If you have any questions concerning the enclosed information or this letter, please feel free to contact this office at 208-334-2190.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Chad Jones', is written over a horizontal line.
