Subject: Application for Idaho Water Right Permit

Good Morning:

The Department has received your application... In reviewing the application, I found that you are planning on placing the permit in the name of FW Dorius Family LLC.. In order to process your application request, I need something that shows that you have authority to sign on behalf of this organization.

I will hold the application awaiting further documentation. If you have any questions, please let me know.

Thank you,

Kerrie Mathews
