Re: Water Right License 96-9241

Dear Water Right Holder:

On June 10, 2016, the Department of Water Resources issued the enclosed Water Right License confirming that a water right has been established in accordance with your permit. That license was returned as undeliverable.

Bonner County property records indicate that the mailing address for the property served by the water right is the one to which this letter is being sent. It is the responsibility of water right holders to maintain current contact records with the Department. If your address has changed, please fill out and return the enclosed *Change in Address*.

If you have any questions, please contact our office at 208.762.2800.

Sincerely,

Dianne L Ball
