Re: Water Right no(s). 97-4034 & 97-4035

Dear Mrs. Lee,

On July 7, 2016 the Department of Water Resources (Department) received a Notice of Change in Water Right Ownership for water right numbers 97-4034 & 97-4035. However, in order to complete the process for the ownership change, the Department needs the following corrections made to the document:

1. The water right numbers need to be listed by the claimant on the application.
2. The date the water rights were acquired should reflect the date the claimant came into possession of the water right. Per the Last Will and Testament, this day would be November 27, 2015.
3. Filing fee of \$25 **per undivided water right** needs to be submitted with the paperwork.

The Department is returning the Notice of Change in Water Right Ownership and all related documents until such corrections have been made.

If you have any questions, please contact our office at (208) 762-2800.

Sincerely,

Natalie Steading,
Technical Records Specialist I
