Re: Relinquishment of Water Right 96-8858

Dear Mr. Robbins:

Recently you visited the Department of Water Resources office in Coeur d' Alene, returned an original water right license, numbered 96-8858 and requested the same to be "forfeited", since you no longer had a need for it.

To officially have the above said water right removed from the Departments records, would you please request the relinquishment of Water Right License 96-8858 in writing? Once I receive your written request, I will forward it on to the State office for further processing.

If you have any questions, feel free to contact me at this office.

Thank you.

Sincerely,

Keith E. Franklin
Water Resources Agent
