RE: Address Change for Water Right No. 63-30968

Dear Applicants,

The Department of Water Resources acknowledges receipt of your request for an ownership change on the water right mentioned above. However, after reviewing the request, it was determined the form was not completed and additional documentation is needed to complete this request.

Please complete and submit the requested documentation listed below:

- Provide the name and original signature on the Change in Address form of the current owner. Kenneth L Pursley is listed as the owner of water right 63-30968. The Change in Address form has Marcia Pursley listed as owner and includes only her signature. In order to process the address change, the current owner of the water right needs to sign and return the form.

Because the Department cannot process this request at this time, we are returning the form. Included is a copy of the proof report for 63-30968 and a Change in Water Right Ownership application in case the ownership of the water right needs to be updated.

Thank you for your cooperation. If you have any questions please, contact this office at 208-334-2190.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Chad Jones'.
