Attorneys for Lynn Herbst

BEFORE THE DEPARTMENT OF WATER RESOURCES
OF THE STATE OF IDAHO

IN THE MATTER OF APPLICATION FOR
PERMIT NO 74-16008 IN THE NAME OF
LYNN HERBST

STIPULATION FOR
WITHDRAWAL OF PROTESTS

THIS STIPULATION FOR WITHDRAWAL OF PROTESTS (this "Stipulation") is made and entered into by and between Lynn Herbst, of P.O. Box 21, Tendoy, ID 83468 (hereinafter "Herbst"), the applicant for the above-described water right permit, and the following protestants to the above-described water right permit:

1. **Idaho Department of Fish and Game**, Salmon Region, 99 Highway 93 North, Salmon, Idaho, 83467 (hereinafter, "IDFG").
2. **Lemhi Irrigation District**, 260 Withington Creek Road, Salmon, ID 83467 (hereinafter, "LID").

Collectively, the IDFG and LID are referred to herein as the "Protestants".

RECITALS:

- A. Application for Permit No. 74-16008 (hereinafter, simply "74-16008") was originally filed by Herbst with the Idaho Department of Water Resources ("IDWR" or "Department") pursuant to Idaho law. The original application sought to appropriate 3.17 cfs from springs/wastewater tributary to Agency Creek for the irrigation of 158.6 acres. The 158.6 acres are also currently irrigated with water from existing water rights owned by Herbst (Water Right Nos. 74-740, 74-741, 74-742, and 74-7147) which water rights

add up to a total diversion rate of 5.76 cfs.

- B. It was Herbst's original intent to divert the 3.17 cfs under 74-16008 in addition to the 5.76 cfs he is entitled to divert under his existing rights, for a total of 8.93 cfs. Herbst believed he was able to seek the additional flows without legal injury to other water rights because of the "separate streams" provision of the Basin 74 general provisions, a copy of which is attached at Exhibit 1.
- C. The Protestants protested 74-16008 for various reasons set forth in their protest filings on record with the Department. The matter was thereafter assigned to Hearing Officer James Cefalo (the "Hearing Officer").
- D. After discussions between the Parties, and in lieu of participating in administrative hearings provided for under Idaho law concerning 74-16008, the Parties hereby agree as set forth below, the result of which is withdrawal of the Protestants' protests and issuance of a permit for 74-16008 (as amended, as described below) consistent with the terms of this Stipulation.
- E. This Stipulation is entered into pursuant to IDAPA 37.01.01.204, .557, and .612.

AGREEMENTS:

- 1. **Application for Permit for 74-16008 is Now Supplemental.** Herbst has submitted an amended application for permit for 74-16008 in the amount 5.76 cfs which has been designated to be supplemental to Herbst's existing water rights (Water Right Nos. 74-740, 74-741, 74-742, and 74-7147), meaning that 74-16008 shall only be exercised when one or more of Herbst's existing water rights is no longer in priority. The approval for 74-16008 must contain a condition stating that 74-16008 is supplemental to Herbst's existing water rights described herein.
- 2. **Conditions of Approval for 74-16008.** Herbst and the Protestants agree that the following conditions (the "Conditions"), or conditions in substantially the same form, must be included in the order approving issuance of a permit for 74-16008:
