Dear Mr. Maxey,

First of all, thanks for being so prompt in sending me the "Change in Water Rights Ownership" form. It is appreciated.

Attached please find the documents required in item #7 of this form. I believe I've got the bases covered, but you shall be the judge of that. The main objective, per our discussion, was to tie Mr. Robert Seiss to our property. Through assorted archived Bonner Co. documents, easements/tax ledger/Quit Claim Deed/Warranty Deed, I think there is strong evidence of Mr. Seiss' previous ownership of the property.

Thanks in advance for your prompt attention to this matter. Please let me know if there is anything additional I should attempt to provide.

Regards,
