Travis,

Brockway Engineering has notified the department that you are now representing Jim Scarrow in the matter of his (2) protested water right applications. I am forwarding the letter & calendars that were sent out to the parties last Thursday the 16th; requesting available dates to reschedule the pre-hearing conference. It was originally scheduled for June 30th, however there were conflicts that arose and we are now looking to reschedule the conference.

Please let me know if you have any questions regarding this information.

Thank you,

Denise @ IDWR
