RE: Transfer Application

Dear Mr. McAfee:

I was in the process of completing the final review of the transfer application that you submitted to correct your place of use. It was found that the point of diversion for the Big Lost River water rights was decreed in the wrong location.

I would like to take this opportunity to correct the point of diversion. There is no additional cost to you and the application will not need to be re-advertised. Enclosed is an amended transfer application, this changes the point of diversion for the Big Lost River water from T07N R23E Sec 12 of the NWNWSE quarter to T07N R23E Sec 12 of the NWSESE quarter.

If this is acceptable to you, please sign the enclosed amendment and return. If you have any questions, please let me know.

Sincerely,

Kerrie Mathews
Sr. Water Resource Agent
