- Is item No. 5 of the proof form incomplete ?

In addition, domestic and heating uses from ground water are part of this permit. If you have no plans in developing the domestic and heating uses then item no. 5 of the proof form is complete.

To provide you with information regarding the permitted water uses enclosed is a copy of the permit for your reference. Please complete the form to provide the Department with information about your completed development.

Please resubmit the completed proof form at your earliest convenience before the proof due date of **August 01, 2016** to avoid the possibility of your permit lapsing. If you have any questions concerning this matter, please contact me at (208) 287-4945.
