ARTICLE 2 - ASSIGNMENT OF RENTS

Grantor irrevocably and unconditionally assigns Mortgagee all rents and other benefits derived from the Leases, and all other issues, profits, royalties, bonuses, income and other proceeds of the Property, whether now due, past due or to become due, including all prepaid rents, security deposits and other supporting obligations (collectively, the "Rents").

Notwithstanding the provisions of this Article 2, Mortgagee confers upon Grantor a revocable license to collect and retain the Rents as they become due and payable, so long as there is no Event of Default (the "License"). If an Event of Default has occurred, Mortgagee may terminate the License without notice to or demand upon Grantor.

Subject to the License granted hereunder, Mortgagee has the right, power and authority to collect any and all Rents. Mortgagee, by its acceptance of this mortgage does not assume any duty or obligation under the Leases.

All lessees under the Leases are hereby irrevocably authorized and notified by Grantor to rely upon and to comply with (and are fully protected in so doing) any notice or demand by Mortgagee for the payment to Mortgagee of Rents, or for the performance of any of lessees' undertakings under the Leases, and lessees shall have no right or duty to inquire as to whether any Event of Default has actually occurred or is then existing hereunder. Subject to the License, Mortgagee may notify any person that the leases have been assigned to Mortgagee and that all Rents are to be paid directly to Mortgagee, whether or not Mortgagee has commenced or completed foreclosure of or taken possession of the Property.

Mortgagee may apply all amounts received by it pursuant to this assignment to pay any of the following in such order and amounts as Mortgagee deems appropriate: (1) Secured Obligations; (2) expenses of leasing, operating, maintaining and managing the Property, including without limitation, salaries, fees, commissions and wages of a managing agent and such other employees, agents or independent contractors as Mortgagee deems necessary or desirable; (3) taxes, charges, claims, assessments, any other liens, and premiums for insurance Mortgagee deems necessary or desirable; and (4) the cost of alterations, renovations, repairs or replacements, and expenses incident to taking and retaining possession of the Property.

ARTICLE 3 – SECURITY AGREEMENT/FIXTURE FILING

Grantor grants Mortgagee a security interest in and pledges and assigns to Mortgagee all of Grantor's right, title and interest in all Property to the extent and which may be characterized as personal property (the "Personalty"). Grantor authorizes Mortgagee to file any UCC financing statements required by Mortgagee, from time to time, to perfect Mortgagee's security interest in the Property.

The address adjacent to Grantor's signature below is the mailing address of Grantor as debtor under the UCC. The address for Mortgagee in Article 7 is its address as secured party under the UCC.

This mortgage constitutes a financing statement filed as a fixture filing under the UCC, covering any Property which now is or later may become a fixture attached to the Land or any Improvement. For this purpose, the "debtor" is Grantor, the "secured party" is Mortgagee and the collateral is the Property.

ARTICLE 4 – SECURED OBLIGATIONS

Grantor makes the mortgage, grant, conveyance, transfer and assignment in Article 1, makes the irrevocable and absolute assignment in Article 2, and grants the security interest under Article 3 to secure payment and performance of the following obligations (individually and collectively, the "Secured Obligations"): (1) all Obligations (as defined in the Note); (2) all obligations of Grantor under this mortgage; (3) all obligations of Grantor under the Jerome County Mortgage; (4) all modifications, amendments, extensions, and renewals, however evidenced, of any of the Secured Obligations; and (5)

any of the foregoing that arises after the filing of a petition by or against Grantor under an insolvency or bankruptcy proceeding.

Future Secured Obligations. The Secured Obligations include future advances made by Mortgagee for any purpose, and all other future Secured Obligations. Those future advances and other future Secured Obligations, together with interest thereon, are secured by this mortgage to the same extent as if made or incurred on the date of the execution of this mortgage, and have priority as to third persons with or without actual notice from the time this mortgage is filed for record as provided by law. The total amount of indebtedness secured by this mortgage may decrease or increase from time to time. Nothing in this Section will constitute a commitment to make additional or future advances in any amount.

General. The scheduled maturity date of the Note is December 1, 2036. All persons who have or acquire an interest in the Property will be deemed to have received notice of, and will be bound by, the terms of the Note, this mortgage and all other agreements and instruments evidencing and or securing the Loan (individually and collectively, the "**Loan Documents**"; provided, however, the Loan Documents specifically do not include the Unsecured Environmental Indemnity, dated as of the date hereof). The Loan Documents may include terms which permit or provide that the rate of interest on one or more of the Secured Obligations may vary from time to time. The obligations secured hereby may provide for the interest rate, payment terms, or balance due to be indexed, adjusted, renewed or renegotiated. Without limitation, the Note expressly provides that Lender may at its option change or adjust the interest rate as referenced therein. This mortgage does not secure any indebtedness, liability or obligation that is expressly stated to be unsecured.

Maximum Interest Rate. Notwithstanding any provision of this mortgage to the contrary: (1) no interest will be due on any amount due under this mortgage if, under Applicable Law, Mortgagee is not permitted to take, receive, reserve or charge interest on that amount; and (2) in all other cases, interest due on the Secured Obligations will be calculated at a rate not to exceed the Maximum Rate. If Grantor is requested by Mortgagee to pay interest on any amount secured by this mortgage at a rate greater than the Maximum Rate, the amount of interest due on that amount will be deemed the Maximum Rate and all payments in excess of the Maximum Rate will be deemed to have been principal prepayments without prepayment fee or premium, and not interest. All amounts other than interest which are charged, reserved, paid or agreed to be paid to Mortgagee for the use, forbearance, or detention of the Secured Obligations will, to the extent permitted by Applicable Law, be amortized, prorated, allocated and spread over the full stated term of the Secured Obligations, so that the rate of interest on account of the Secured Obligations does not exceed the Maximum Rate for so long as any of the Secured Obligations is outstanding.

Cross-Collateralization. Grantor hereby acknowledges and agrees that an express condition of the Loan is that each of the Related Notes are secured by this mortgage and the Jerome County Mortgage, and that an Event of Default under any of the Related Notes, this Mortgage or the Jerome County Mortgage shall constitute an Event of Default under all such instruments and this mortgage.

Notwithstanding the cross-collateralization of the Related Loans, Grantor may request to modify this mortgage and the Jerome County Mortgage to remove the cross-collateralization of the Related Loan, subject to Grantor's satisfaction of all of the following conditions at its sole cost and expense except to the extent otherwise expressly waived by Mortgagee in writing in each instance: (1) at the time such modification is requested, no Event of Default exists and no act or omission which, solely by the giving of notice or the expiration of any applicable cure period, will become an Event of Default; (2) Grantor gives Mortgagee at least sixty (60) days' advance written notice of its request for such modification, accompanied by documents and information required by Mortgagee in its sole discretion; (3) the unpaid principal balance of each of the Loan Nos. 198175, 198176 and 198177 must not exceed fifty percent (50%) of the value of the collateral remaining for each Related Loan after such modification, as determined by Lender in its sole discretion; (4) Mortgagee is provided, at Grantor's cost, an endorsement

to its mortgagee policy of title insurance, satisfactory to Mortgagee insuring the continued priority of this mortgage and the Jerome County Mortgage following such modification, subject only to such exceptions as are approved by Mortgagee in its sole discretion; (5) Grantor shall furnish Mortgagee all necessary documentation and information necessary to process said request; and (6) Grantor shall pay all reasonable fees, costs and expenses incurred by Mortgagee in connection with the consideration of any request for such modification under this Section, and in connection with the execution and delivery of any such partial release or modification, including without limitation, administrative, legal, appraisal and accounting fees and expenses, and all recording, title insurance premiums and title expenses, shall be borne solely by Grantor and Grantor agrees to pay all such fees, costs and expenses promptly upon presentation of an invoice therefor or upon demand by Mortgagee.

ARTICLE 5 – WARRANTY AND COVENANTS

Warranty of Title. Grantor represents and warrants that, other than the exceptions to title expressly listed on a schedule of exceptions to coverage in the final commitment for title insurance or pro forma policy of title insurance accepted by Mortgagee prior to the Closing, Grantor lawfully possesses and holds fee simple title to all of the Land and Improvements; and that Grantor has the right, power and authority to mortgage, grant, convey and assign the Property. Grantor especially agrees and declares that the separate estate of each of them, whether vested, contingent or in expectancy, is hereby conveyed and shall be bound for the payment and performance of the Secured Obligations.

Water Rights. Grantor represents and warrants that the Water Rights afford the continuing, enforceable right to receive irrigation water on the Property from such sources, in such quantities and at such times and locations as has historically been available to the Property without interruption or substantially increased cost and in any event, based on current projections, sufficient to provide adequate water and/or drainage to continue the current and proposed agricultural operations on the Property.

Performance of Secured Obligations/Compliance with Applicable Law. Grantor shall promptly pay and perform each Secured Obligation in accordance with its terms. Grantor shall not commit or allow any act upon or use of the Property which would violate any Applicable Law, whether now existing or later to be enacted and whether foreseen or unforeseen, or any public or private covenant, condition, restriction or equitable servitude affecting the Property.

Maintenance of Property. Grantor shall maintain and preserve all rights and privileges Grantor now has in the Property; and make any repairs, renewals or replacements to keep the Property in good working condition. Grantor shall keep the Property in good condition and repair; operate the Property, whether improved pastures, orchards, groves, grazing, timber, or crop lands, in a good and husband-like manner in accordance with accepted principles of sound agricultural and forestry practices in the area in which the Land is located; take all reasonable precautions to control wind and water erosion; fertilize improved pastures, if any, where necessary to maintain a good stand of desirable grasses; protect orchards and timber, if any, by reasonable precautions against loss or damage by fire including the maintenance of appropriate fire breaks; and neither to remove nor permit the removal of any oil, gas, mineral, stone, rock, clay, or gravel owned by Grantor, or any timber, buildings, top soil, or fertilizer, without the prior written consent of Mortgagee.

Water Rights. Grantor shall maintain the Water Rights during the term of the Loan at a level and of a nature sufficient to provide the continuing, enforceable right to receive irrigation water on the Property from such sources, in such quantities and at such times and locations as has historically been available to the Property without interruption or substantially increased cost and in any event sufficient to provide adequate water and/or drainage to continue the current and proposed agricultural operations on the Property. All existing Water Rights benefiting or available to the Property shall be maintained in full force and effect for the benefit of the Property by Grantor and applied to beneficial use so as to maintain the

validity and priority of such rights. Grantor shall fully comply with, and not permit a default to occur under any water licenses, permits or delivery contracts used to provide water to the Property, and shall timely exercise all renewal or extension rights in such contracts. Grantor shall not modify, amend or terminate any Water Rights without Mortgagee's prior written consent. Grantor shall comply with the rules, regulations and ordinances of any water district, water agency or groundwater management agency in which the Property or any portion thereof is located and pay all related fees and assessments prior to delinquency. All irrigation wells and related facilities used to deliver irrigation water to any portion of the Property shall remain physically located within the boundaries of such Property or the subject of valid, enforceable easements appurtenant to the Property and encumbered hereby. If the use of any irrigation facilities or water serving the Property requires consent or the use of other property, Grantor shall maintain in effect all requisite easements or other legally enforceable and assignable rights to use such facilities and/or water to service the Property. Grantor shall notify Mortgagee if the irrigation water supply to any portion of the Property is interrupted or subject to interruption for any reason other than temporarily for routine maintenance or repairs in a manner that does not impair the operation of the Property.

Compliance with Applicable Law Grantor shall not commit or allow any act upon or use of the Property which would violate any Applicable Law, whether now existing or later to be enacted and whether foreseen or unforeseen, or any public or private covenant, condition, restriction or equitable servitude affecting the Property.

Taxes and Assessments Grantor shall pay prior to delinquency all taxes, levies, charges and assessments imposed by Applicable Law or any public or quasi-public authority or utility company which are (or if not paid, may become) a lien on all or part of the Property or any interest in it, and any and all intangible taxes and documentary stamp taxes determined at any time to be due on or as a result of the Secured Obligations, this mortgage or any other Loan Documents, together with any and all interest and penalties thereon (individually and collectively, "Imposition"). If after the date of this mortgage, the State of Idaho passes any law deducting from the value of Land for the purpose of taxation any lien thereon, or changing in any way the laws for the taxation of mortgages or debts secured by a mortgage for state or local purposes, or the manner of the collection of any such taxes, so as to affect this mortgage, then within 180 days after notice by Mortgagee to Grantor, Grantor shall pay all Secured Obligations. Notwithstanding the foregoing provisions of this Section, Grantor may, at its expense, contest the validity or application of any Imposition by appropriate legal proceedings promptly initiated and conducted in good faith and with due diligence, provided that: (1) Mortgagee is satisfied that neither the Property nor any part thereof or interest therein will be in danger of being sold, forfeited, or lost as a result of such contest; and (2) Grantor shall have posted a bond or furnished such other security required from time to time by Mortgagee.

Damages and Insurance and Condemnation Proceeds Mortgagee may, at its option: (1) in its own name appear in or prosecute any action or proceeding to enforce any cause of action based on warranty, or for damage, injury or loss to all or part of the Property, and it may make any compromise or settlement of the action or proceeding; (2) participate in any action or proceeding relating to any Condemnation Award; and (3) join Grantor in adjusting any Insurance Claim. All insurance proceeds, Condemnation Awards, and proceeds of any other claim based on warranty, or for damage, injury or loss to the Property which Grantor may receive or be entitled to must be paid to Mortgagee. Mortgagee may apply those proceeds first toward reimbursement of all of Mortgagee's costs and expenses, including Legal Fees, incurred in connection with such recovery. The balance shall, at Mortgagee's option, be applied to pay or prepay some or all of the Secured Obligations in such order and proportions as it may choose. GRANTOR HEREBY SPECIFICALLY, UNCONDITIONALLY AND IRREVOCABLY WAIVES ALL RIGHTS OF A PROPERTY OWNER WITH RESPECT TO ALLOCATION OF CONDEMNATION PROCEEDS BETWEEN A PROPERTY OWNER AND A LIENHOLDER.

Site Visits, Observation and Testing Mortgagee and its agents and representatives may enter and visit the Property at any reasonable time for the purposes of observing it, performing appraisals, taking

and removing soil or groundwater samples, and conducting tests on any part of it, as provided in the Unsecured Environmental Agreement, by Mortgagee in favor of Lender and dated as of even date hereof, and otherwise to determine Grantor's compliance with this mortgage.

Prohibited Transfers. Grantor agrees that a material factor in Mortgagee's decision to enter into the Loan Documents is the expertise, financial status and other characteristics of Grantor. Grantor shall not make or permit any Prohibited Transfer. Upon any Prohibited Transfer Mortgagee may declare all Secured Obligations to be due and payable immediately. "Prohibited Transfer" means: (1) any sale, contract to sell, conveyance, encumbrance, pledge, mortgage, or other transfer of all or any material part or interest of the Property, whether voluntary, involuntary, by operation of law or otherwise; provided, however, Grantor may sell or dispose of fixtures and equipment in the ordinary course of their business so long as such items are replaced with items of equal or greater value and utility; (2) if Grantor is a corporation, any transfer or transfers of shares of more than ten percent (or such other portion, if any, permitted under the Note) of the voting power or the direct or indirect beneficial ownership of Grantor, on a cumulative basis, or any dissolution of the corporation; (3) if Grantor is a partnership, withdrawal or removal of any general partner, dissolution of the partnership under Applicable Law, or any transfer or transfers of more than ten percent (or such other portion, if any, permitted under the Note) of the partnership interests, on a cumulative basis; (4) if Grantor is a limited liability company, withdrawal or removal of any manager or managing member, termination of the limited liability company or any transfer or transfers of more than ten percent (or such other portion, if any, permitted under the Note) of the voting power or the ownership of the economic interest in the Grantor, on a cumulative basis, or (5) if Grantor is a trust, withdrawal or removal of any trustee or revocation of the trust.

Prohibited Transfer Rate. If there is a Prohibited Transfer, Mortgagee may deem the principal balance of the Related Loans and, to the extent permitted by Applicable Law, all other Obligations, increase at the Contract Rate by 2.00% per annum, retroactive to the date of the Prohibited Transfer. Mortgagee's rights under this Section are an option available to Mortgagee, and unless elected by Mortgagee, a Prohibited Transfer will constitute an Event of Default and all Obligations will bear interest at the Default Rate.

Compensation and Reimbursement of Costs and Expenses. Grantor shall pay (1) for any services rendered in connection with this mortgage; (2) all of Mortgagee's costs and expenses incurred in rendering any such services; and (3) all costs, expenses and other advances incurred or made by Mortgagee in an effort to enforce the terms of this mortgage or protect the Property, whether any lawsuit is filed or not, including any bankruptcy or other voluntary or involuntary proceeding, in or out of court, or in defending any action or proceeding arising under or relating to this mortgage, including Legal Fees, and costs of any Foreclosure Sale. If Mortgagee chooses to dispose of Property through more than one Foreclosure Sale, Grantor must pay all costs, expenses or other advances incurred by Mortgagee in each of those Foreclosure Sales.

Indemnification. GRANTOR SHALL INDEMNIFY MORTGAGEE AGAINST AND SHALL HOLD MORTGAGEE HARMLESS FROM ALL LOSSES, DAMAGES, LIABILITIES, CLAIMS, CAUSES OF ACTION, JUDGMENTS, COURT COSTS, LEGAL FEES, COST OF EVIDENCE OF TITLE, COST OF EVIDENCE OF VALUE, AND OTHER COSTS AND EXPENSES WHICH MORTGAGEE MAY SUFFER OR INCUR: (1) IN PERFORMING ANY ACT REQUIRED OR PERMITTED BY THIS MORTGAGE OR ANY OF THE OTHER LOAN DOCUMENTS OR BY LAW; (2) BECAUSE OF ANY FAILURE OF GRANTOR TO PAY OR PERFORM ANY OF THE SECURED OBLIGATIONS; OR (3) BECAUSE OF ANY ALLEGED OBLIGATION OF OR UNDERTAKING BY MORTGAGEE TO PERFORM OR DISCHARGE ANY OF THE REPRESENTATIONS, WARRANTIES, CONDITIONS, COVENANTS OR OTHER OBLIGATIONS IN ANY DOCUMENT RELATING TO THE PROPERTY (OTHER THAN SUCH WARRANTIES, CONDITIONS, COVENANTS OR OTHER OBLIGATIONS IN THE LOAN DOCUMENTS). THIS AGREEMENT BY GRANTOR TO INDEMNIFY MORTGAGEE SURVIVES THE RELEASE AND CANCELLATION OF ANY OR ALL OF THE SECURED OBLIGATIONS AND THE FULL OR PARTIAL RELEASE OF THIS MORTGAGE.

Payments Due Under This Mortgage. Grantor must pay all obligations to pay money arising under this mortgage immediately upon demand by Mortgagee. Each such obligation shall bear interest from the date the obligation arises at the Default Rate.

ARTICLE 6- EVENTS OF DEFAULT AND REMEDIES

Events of Default. The following each shall be an event of default under this mortgage (an "Event of Default"): (1) an Event of Default (as defined in the Note); (2) a Prohibited Transfer; (3) if Grantor is in default beyond applicable notice and grace periods under any other mortgage, deed of trust, deed to secure debt or other security agreement covering any part of the Property, whether it be superior or junior in lien to this mortgage; (4) for more than ten days after notice from Mortgagee, Grantor is in default under any term, covenant or condition of this mortgage not separately described as an Event of Default, which can be cured by the payment of a sum of money; or (5) for 30 days after notice from Mortgagee, Grantor is in default under any term, covenant or condition of this mortgage not separately described as an Event of Default; provided that if: (A) it is reasonably certain that the default cannot be cured by Grantor within that 30 day period; and (B) Grantor has commenced curing that default within that 30 day period and thereafter diligently and expeditiously proceeds to cure that default, then that 30 day period shall be extended for so long as reasonably required by Grantor in the exercise of due diligence to cure that default, up to a maximum of 90 days after the notice to Grantor of the Event of Default.

Remedies. At any time after an Event of Default, Mortgagee may invoke any and all of the rights and remedies described below. All of such rights and remedies are cumulative, and the exercise of any one or more of them does not constitute an election of remedies.

Acceleration. Mortgagee may declare any or all of the Secured Obligations to be due and payable immediately.

Receiver. Mortgagee may, to the extent permitted by Applicable Law, make an ex parte application to any court of competent jurisdiction, and obtain appointment of, a receiver, trustee, liquidator or conservator of the Property, without notice, without giving bond, and without regard for the adequacy of the security for the Secured Obligations and without regard for the solvency of Grantor, any Guarantor, or of any Person liable for the payment of the Secured Obligations. GRANTOR HEREBY WAIVES NOTICE OF THE APPLICATION FOR, AND CONSENTS TO THE APPOINTMENT OF A RECEIVER, TRUSTEE, LIQUIDATOR OR CONSERVATOR OF THE PROPERTY IN ACCORDANCE WITH THE PROVISIONS OF THIS SECTION; AND AGREES TO NOT OPPOSE SUCH APPOINTMENT.

Entry. To the extent permitted by Applicable Law, Mortgagee, in person, by agent or by court-appointed receiver, may enter, take possession of, manage and operate all or any part of the Property, and may also do any and all other things in connection with those actions that Mortgagee may consider necessary and appropriate to protect the security of this mortgage. Such other things may include: taking and possessing all of Grantor's or the then owner's books and records; entering into, enforcing, modifying, or canceling leases on such terms and conditions as Mortgagee may consider proper; obtaining and evicting tenants; fixing or modifying rents; collecting and receiving any payment of money owing to Grantor; completing any unfinished construction; and/or contracting for and making repairs and alterations. If Mortgagee so requests, Grantor will assemble all of the Property that has been removed from the Land and make all of it available to Mortgagee at the site of the Land. GRANTOR HEREBY IRREVOCABLY CONSTITUTES AND APPOINTS MORTGAGEE AS GRANTOR'S ATTORNEY-IN-FACT TO PERFORM SUCH ACTS AND EXECUTE SUCH DOCUMENTS AS MORTGAGEE CONSIDERS APPROPRIATE IN CONNECTION WITH TAKING THESE MEASURES, INCLUDING ENDORSEMENT OF GRANTOR'S NAME ON ANY INSTRUMENTS. Regardless of any provision of this mortgage or the other Loan Documents, Mortgagee shall not be considered to have accepted any property other than cash or immediately available funds in satisfaction of any obligation of Grantor to Mortgagee, unless Mortgagee has given express written notice of its election of that remedy in accordance with the UCC.

Cure; Protection of Security. Mortgagee may cure any breach or default of Grantor, and if it chooses to do so in connection with any such cure, Mortgagee may also enter the Property and/or do any and all other things which it considers necessary or appropriate to protect the security of this mortgage. Such other things may include: (1) appearing in and/or defending any action or proceeding which purports to affect the security of, or the rights or powers of Mortgagee under, this mortgage; (2) paying, purchasing, contesting or compromising any encumbrance, charge, lien or claim of lien which in Mortgagee's judgment is or may be senior in priority to this mortgage, such judgment of Mortgagee to be conclusive as among the parties to this mortgage; (3) obtaining insurance and/or paying any premiums or charges for insurance required to be carried under the Note; (4) otherwise caring for and protecting any and all of the Property; and/or (5) employing counsel, accountants, contractors and other appropriate persons to assist Mortgagee. Mortgagee may take any of the actions permitted under this Article either with or without giving notice to any person. Notwithstanding the foregoing, in no event will Mortgagee have any obligation to take any of the actions set forth in this Section.

Uniform Commercial Code Remedies. Mortgagee may exercise any or all of the remedies granted to a secured party under the UCC. To the extent that Applicable Law imposes the duty on Mortgagee to exercise remedies in a commercially reasonable manner, Grantor acknowledges and agrees that it is not commercially unreasonable for Mortgagee to: (1) fail to incur expenses reasonably deemed significant by Mortgagee to prepare the Personalty for disposition or to fail to complete raw material or work in process into finished goods or other finished products for disposition; (2) fail to exercise collection remedies against account debtors or other persons obligated on the Personalty (directly or through the use of collection specialists), or to fail to remove liens, encumbrances or adverse claims against the Personalty; (3) advertise dispositions of the Personalty through publications or media of general circulation, whether or not the Personalty is of a specialized nature; (4) contact Persons for expressions of interest in acquiring all or any portion of the Personalty; (5) hire professional auctioneers to assist in the disposition of the Personalty, whether or not the Personalty is of a specialized nature; (6) dispose of the Personalty by utilizing Internet sites that provide for or are reasonably capable of the auction of assets of the types included in the Personalty; (7) dispose of the Personalty in wholesale rather than retail markets; (8) disclaim disposition warranties; (9) purchase insurance or credit enhancements to insure Mortgagee against risks of loss, collection or disposition of the Personalty or to provide to Mortgagee a guaranteed return from the collection or disposition of the Personalty; or (10) sell any Personalty jointly with any of the Property or to sell any Personalty in a sale separate from a sale of any of the Property. Grantor acknowledges that the purpose of this Section is to provide a non-exhaustive indication of what actions or omissions by Mortgagee would fulfill Mortgagee's duties under the UCC in Mortgagee's exercise of remedies against the Personalty, and that other actions or omissions by Mortgagee shall not be deemed to fail to fulfill such duties solely on account of not being expressly included or indicated in this Section.

Judicial Action. Mortgagee may bring an action in any court of competent jurisdiction to foreclose this mortgage in the manner provided under Applicable Law for the foreclosure of mortgages on real property or to obtain specific enforcement of any of the covenants or agreements of this mortgage.

Sales of Personal Property. Mortgagee may elect to treat as Personalty any Property which is intangible or which can be severed from the Land or Improvements without causing structural damage. If it chooses to do so, Mortgagee may dispose of any Personalty separately from the sale of real property, in any manner permitted by Article 9 of the UCC, including any public or private sale, or in any manner permitted by any other Applicable Law. Any proceeds of any such disposition shall not cure any Event of Default or reinstate any Secured Obligation.

Single or Multiple Foreclosure Sales. If the Property consists of more than one lot, parcel or item of property, in connection with any sale of the Property described in or permitted under this Article, Mortgagee may: (1) designate the order in which the lots, parcels and/or items shall be sold or disposed of or offered for sale or disposition; and (2) elect to dispose of the lots, parcels and/or items through a single consolidated sale or disposition to be held or made in connection with judicial proceedings, or by

virtue of a judgment and decree of foreclosure and sale; or through two or more such sales or dispositions; or in any other manner Mortgagee may deem to be in its best interests (any such sale or disposition, a "**Foreclosure Sale**"). If it chooses to have more than one Foreclosure Sale, Mortgagee at its option may cause the Foreclosure Sales to be held simultaneously or successively, on the same day, or on such different days and at such different times and in such order as it may deem to be in its best interests. No Foreclosure Sale will terminate or affect the liens of this mortgage on any part of the Property which has not been sold, until all of the Secured Obligations have been paid in full.

Additional Rights. In addition to the rights and powers given to Mortgagee under this mortgage, Mortgagee shall have all such other rights both in law and equity for collection of the indebtedness secured hereby as it would have but for this mortgage.

Credit Bids. At any Foreclosure Sale, any person, including Grantor or Mortgagee, may bid for and acquire the Property or any part of it to the extent permitted by then Applicable Law. Instead of paying cash for that property, Mortgagee may settle for the purchase price by crediting the sales price of the property against the following obligations: first, the portion of the Secured Obligations attributable to the expenses of sale, costs of any action and any other sums for which Grantor is obligated to reimburse Mortgagee; and second, all other Secured Obligations in any order and proportions as Mortgagee may choose.

Application of Foreclosure Sale Proceeds, Rents and Other Sums. Mortgagee shall apply the proceeds of any Foreclosure Sale to pay (or reimburse Mortgagee for payment of) the Secured Obligations in any order and proportions as Mortgagee may choose, with the surplus, if any, to be paid over to Grantor. Mortgagee has no liability for any funds which it does not actually receive.

Waivers. Grantor waives: (1) any right to require Mortgagee to proceed against Grantor, proceed against or exhaust any security held from Grantor, or pursue any other remedy in Mortgagee's power to pursue; (2) any defense based on any legal disability of Grantor, any discharge or limitation of the liability of Grantor to Mortgagee, whether consensual or arising by operation of law or any bankruptcy, reorganization, receivership, insolvency, or debtor-relief proceeding, or from any other cause, or any claim that Grantor's obligations exceed or are more burdensome than those of Grantor; (3) all presentments, demands for performance, notices of nonperformance, protests, notices of protest, notices of dishonor, notices of acceptance of this mortgage and of the existence, creation, or incurring of new or additional indebtedness of Grantor, and demands and notices of every kind; (4) any defense based on or arising out of any defense that Grantor may have to the payment or performance of the Secured Obligations or any part of it; and (5) until the Secured Obligations have been paid and performed in full, all rights of subrogation, reimbursement, indemnification and contribution (contractual, statutory or otherwise), including any claim or right of subrogation under the Bankruptcy Code (Title 11 of the U.S. Code) or any successor statute, all rights to enforce any remedy that Mortgagee may have against Grantor, and all rights to participate in any security now or later to be held by Mortgagee for the Secured Obligations. Grantor waives all rights and defenses that Grantor may have because the Secured Obligations may be secured by real property other than the Property hereby encumbered. This is an unconditional and irrevocable waiver of any rights and defenses Grantor may have because the Secured Obligations may be secured by real property other than the Property. Grantor waives any right or defense it may have at law or equity, to a fair market value hearing or action to determine a deficiency judgment after a foreclosure of any real property other than the Property hereby encumbered. No provision or waiver in this mortgage shall be construed as limiting the generality of any other provision or waiver contained in this mortgage.

Information. Grantor is solely responsible for keeping informed of Grantor's financial condition and business operations and all other circumstances affecting Grantor's ability to pay and perform its obligations to Mortgagee, and agrees that Mortgagee will have no duty to disclose to Grantor any

information which Mortgagee may receive about Grantor's financial condition, business operations, or any other circumstances bearing on its ability to perform.

No Mortgagee in Possession. Neither the enforcement of any of the remedies under this Article, the assignment of the Rents and Leases under Article 2, the security interests under Article 3, nor any other remedies afforded to Mortgagee under the Loan Documents, at law or in equity shall cause Mortgagee to be deemed or construed to be a mortgagee in possession of the Property, to obligate Mortgagee to lease the Property or attempt to do so, or to take any action, incur any expense, or perform or discharge any obligation, duty or liability whatsoever under any of the Leases or otherwise.

ARTICLE 7 – MISCELLANEOUS

Entire Agreement. This mortgage and the other Loan Documents collectively: (1) represent the sum of the understandings and agreements between Mortgagee and Grantor concerning this credit; (2) replace any prior oral or written agreements between Mortgagee and Grantor concerning this credit; and (3) are intended by Mortgagee and Grantor as the final, complete and exclusive statement of the terms agreed to by them.

No Waiver or Cure. Each waiver by Mortgagee must be in writing, and no waiver is to be construed as a continuing waiver. No waiver is to be implied from any delay or failure by Mortgagee to take action on account of any default of Grantor. Consent by Mortgagee to any act or omission by Grantor must not be construed as a consent to any other or subsequent act or omission or to waive the requirement for Mortgagee's consent to be obtained in any future or other instance. The exercise by Mortgagee of any right or remedy under this mortgage or the other Loan Documents or under Applicable Law, shall not: cure or waive a breach, Event of Default or notice of default under this mortgage or invalidate any act performed pursuant to any such default or notice; or nullify the effect of any notice of default or sale (unless all Secured Obligations then due have been paid and performed and all other defaults under the Loan Documents, have been cured); or impair the security of this mortgage; or prejudice Mortgagee or any receiver appointed in accordance with this mortgage, in the exercise of any right or remedy afforded any of them under this mortgage; or be construed as an affirmation by Mortgagee of any tenancy, lease or option, or a subordination of the lien of this mortgage.

Merger. No merger shall occur as a result of Mortgagee's acquiring any other estate in or any other lien on the Property.

Waiver of Dower, Homestead, and Distributive Share. Grantor relinquishes all right of dower, if any, and waives all right of homestead exemption and distributive share in and to the Property. Grantor waives any right of exemption as to the Property.

Waiver of Marshalling. Grantor waives all rights, legal and equitable, it may now or hereafter have to require marshalling of assets or to require upon foreclosure sales of assets in a particular order. Each successor and assign of Grantor, including any holder of a lien subordinate to this mortgage, by acceptance of its interest or lien agrees that it shall be bound by the above waiver, as if it had given the waiver itself.

Waiver of Certain Other Laws. To extent permitted by Applicable Law, Grantor shall not at any time insist upon, plead, claim or take the benefit or advantage of any Applicable Law providing for appraisal, valuation, stay, extension, equity or redemption, any statutory or common law right of redemption, and all other exemptions, and Grantor, for Grantor, and its representatives, successors and assigns, and for any and all persons ever claiming any interest in the Property, to the extent permitted by law, hereby waives and releases all rights of redemption (including, without limitation, any common law or statutory right of redemption), and all other exceptions, as well as valuation, appraisal, stay of execution, or notice of election to mature or declare due the whole of the Secured Obligations in the event of foreclosure of the lien created by this mortgage. WITHOUT LIMITATION, IF THE UNDERSIGNED GRANTOR, OR ANY OF THEM, IS A CORPORATION, GRANTOR HEREBY RELEASES AND WAIVES ANY AND ALL RIGHTS OF REDEMPTION FROM SALE UNDER ANY JUDGMENT OF FORECLOSURE AND EACH OF THE ITEMS WAIVED AND RELEASED ABOVE, ON BEHALF OF GRANTOR, AND EACH AND EVERY PERSON ACQUIRING ANY INTEREST IN OR TITLE TO THE PROPERTY, SUBSEQUENT TO THE DATE OF THIS MORTGAGE, AND ON BEHALF OF ALL OF THE PERSONS TO THE EXTENT PERMITTED BY APPLICABLE LAW OF THE STATE OF IDAHO.

Joint and Several Obligations. If Grantor consists of more than one Person, each Grantor (1) acknowledges and undertakes, together with the other Grantors, joint and several liability for the indebtedness, liabilities and obligations of Grantor under this mortgage; (2) acknowledges that this mortgage is the independent and several obligation of each Grantor and may be enforced against each Grantor separately, whether or not enforcement of any right or remedy hereunder has been sought against any other Grantor; and (3) agrees that its liability hereunder and under any other Loan Document shall be absolute, unconditional, continuing and irrevocable. GRANTOR EXPRESSLY WAIVES ANY REQUIREMENT THAT MORTGAGEE EXHAUST ANY RIGHT, POWER OR REMEDY AND PROCEED AGAINST THE OTHER GRANTOR UNDER THIS MORTGAGE, OR ANY OTHER LOAN DOCUMENTS, OR AGAINST ANY OTHER PERSON UNDER ANY GUARANTY OF, OR SECURITY FOR, ANY OF THE SECURED OBLIGATIONS.

Governing Law/Jurisdiction and Venue. This mortgage shall be governed exclusively by the laws of the State of Idaho without regard or reference to its conflict of laws principles.

General. This mortgage may not be amended, changed, modified, altered or terminated without the prior written consent of Mortgagee. This mortgage may be executed in counterparts, each of which will be an original and all of which together are deemed one and the same instrument. Mortgagee is authorized to execute any other documents or take any other actions necessary to effectuate this mortgage and the consummation of the transactions contemplated herein. Time is of the essence of this mortgage. Each Party has participated in negotiating and drafting this mortgage, so if an ambiguity or a question of intent or interpretation arises, this mortgage is to be construed as if the parties had drafted it jointly, as opposed to being construed against a Party because it was responsible for drafting one or more provisions of this mortgage. When all Secured Obligations have been paid in full, Mortgagee shall execute and deliver to Grantor, a release of the Property from the Lien of this mortgage. Headings and captions are provided for convenience only and do not affect the meaning of the text which follows.

Effect of Modification. The interest rate, payment terms and/or balance due on the loan may be, inter alia, indexed, adjusted, renewed or renegotiated and the lien of this mortgage herein granted shall not be affected as provided in Idaho Code Section 45-116.

ARTICLE 2 - ASSIGNMENT OF RENTS

Grantor irrevocably and unconditionally assigns Mortgagee all rents and other benefits derived from the Leases, and all other issues, profits, royalties, bonuses, income and other proceeds of the Property, whether now due, past due or to become due, including all prepaid rents, security deposits and other supporting obligations (collectively, the "Rents").

Notwithstanding the provisions of this Article 2, Mortgagee confers upon Grantor a revocable license to collect and retain the Rents as they become due and payable, so long as there is no Event of Default (the "License"). If an Event of Default has occurred, Mortgagee may terminate the License without notice to or demand upon Grantor.

Subject to the License granted hereunder, Mortgagee has the right, power and authority to collect any and all Rents. Mortgagee, by its acceptance of this mortgage does not assume any duty or obligation under the Leases.

All lessees under the Leases are hereby irrevocably authorized and notified by Grantor to rely upon and to comply with (and are fully protected in so doing) any notice or demand by Mortgagee for the payment to Mortgagee of Rents, or for the performance of any of lessees' undertakings under the Leases, and lessees shall have no right or duty to inquire as to whether any Event of Default has actually occurred or is then existing hereunder. Subject to the License, Mortgagee may notify any person that the leases have been assigned to Mortgagee and that all Rents are to be paid directly to Mortgagee, whether or not Mortgagee has commenced or completed foreclosure of or taken possession of the Property.

Mortgagee may apply all amounts received by it pursuant to this assignment to pay any of the following in such order and amounts as Mortgagee deems appropriate: (1) Secured Obligations; (2) expenses of leasing, operating, maintaining and managing the Property, including without limitation, salaries, fees, commissions and wages of a managing agent and such other employees, agents or independent contractors as Mortgagee deems necessary or desirable; (3) taxes, charges, claims, assessments, any other liens, and premiums for insurance Mortgagee deems necessary or desirable; and (4) the cost of alterations, renovations, repairs or replacements, and expenses incident to taking and retaining possession of the Property.

ARTICLE 3 – SECURITY AGREEMENT/FIXTURE FILING

Grantor grants Mortgagee a security interest in and pledges and assigns to Mortgagee all of Grantor's right, title and interest in all Property to the extent and which may be characterized as personal property (the "Personalty"). Grantor authorizes Mortgagee to file any UCC financing statements required by Mortgagee, from time to time, to perfect Mortgagee's security interest in the Property.

The address adjacent to Grantor's signature below is the mailing address of Grantor as debtor under the UCC. The address for Mortgagee in Article 7 is its address as secured party under the UCC.

This mortgage constitutes a financing statement filed as a fixture filing under the UCC, covering any Property which now is or later may become a fixture attached to the Land or any Improvement. For this purpose, the "debtor" is Grantor, the "secured party" is Mortgagee and the collateral is the Property.

ARTICLE 4 – SECURED OBLIGATIONS

Grantor makes the mortgage, grant, conveyance, transfer and assignment in Article 1, makes the irrevocable and absolute assignment in Article 2, and grants the security interest under Article 3 to secure payment and performance of the following obligations (individually and collectively, the "Secured Obligations"): (1) all Obligations (as defined in the Notes); (2) all obligations of Grantor under this mortgage; (3) all obligations of Grantor under the Butte County Mortgage; (4) all modifications, amendments, extensions, and renewals, however evidenced, of any of the Secured Obligations; and (5) any of the foregoing that arises after the filing of a petition by or against Grantor under an insolvency or bankruptcy proceeding.

Future Secured Obligations. The Secured Obligations include future advances made by Mortgagee for any purpose, and all other future Secured Obligations. Those future advances and other future Secured

Obligations, together with interest thereon, are secured by this mortgage to the same extent as if made or incurred on the date of the execution of this mortgage, and have priority as to third persons with or without actual notice from the time this mortgage is filed for record as provided by law. The total amount of indebtedness secured by this mortgage may decrease or increase from time to time. Nothing in this Section will constitute a commitment to make additional or future advances in any amount.

General. The scheduled maturity date of the latest to mature of the Loans is December 1, 2031. All persons who have or acquire an interest in the Property will be deemed to have received notice of, and will be bound by, the terms of the Note, this mortgage and all other agreements and instruments evidencing and or securing the Loan (individually and collectively, the "Loan Documents"; provided, however, the Loan Documents specifically do not include the Unsecured Environmental Indemnity, dated as of the date hereof). The Loan Documents may include terms which permit or provide that the rate of interest on one or more of the Secured Obligations may vary from time to time. The obligations secured hereby may provide for the interest rate, payment terms, or balance due to be indexed, adjusted, renewed or renegotiated. Without limitation, the Note expressly provides that Lender may at its option change or adjust the interest rate as referenced therein. This mortgage does not secure any indebtedness, liability or obligation that is expressly stated to be unsecured.

Maximum Interest Rate. Notwithstanding any provision of this mortgage to the contrary: (1) no interest will be due on any amount due under this mortgage if, under Applicable Law, Mortgagee is not permitted to take, receive, reserve or charge interest on that amount; and (2) in all other cases, interest due on the Secured Obligations will be calculated at a rate not to exceed the Maximum Rate. If Grantor is requested by Mortgagee to pay interest on any amount secured by this mortgage at a rate greater than the Maximum Rate, the amount of interest due on that amount will be deemed the Maximum Rate and all payments in excess of the Maximum Rate will be deemed to have been principal prepayments without prepayment fee or premium, and not interest. All amounts other than interest which are charged, reserved, paid or agreed to be paid to Mortgagee for the use, forbearance, or detention of the Secured Obligations will, to the extent permitted by Applicable Law, be amortized, prorated, allocated and spread over the full stated term of the Secured Obligations, so that the rate of interest on account of the Secured Obligations does not exceed the Maximum Rate for so long as any of the Secured Obligations is outstanding.

Cross-Collateralization. Grantor hereby acknowledges and agrees that an express condition of the Loan is that each of the Related Notes are secured by this mortgage and the Butte County Mortgage, and that an Event of Default under any of the Related Notes, this Mortgage or the Butte County Mortgage shall constitute an Event of Default under all such instruments and this mortgage.

Notwithstanding the cross-collateralization of the Related Loans, Grantor may request to modify this mortgage and the Butte County Mortgage to remove the cross-collateralization of the Related Loan, subject to Grantor's satisfaction of all of the following conditions at its sole cost and expense except to the extent otherwise expressly waived by Mortgagee in writing in each instance: (1) at the time such modification is requested, no Event of Default exists and no act or omission which, solely by the giving of notice or the expiration of any applicable cure period, will become an Event of Default; (2) Grantor gives Mortgagee at least sixty (60) days' advance written notice of its request for such modification, accompanied by documents and information required by Mortgagee in its sole discretion; (3) the unpaid principal balance of each of the Loan Nos. 198175, 198176 and 198177 must not exceed fifty percent (50%) of the value of the collateral remaining for each Related Loan after such modification, as determined by Lender in its sole discretion; (4) Mortgagee is provided, at Grantor's cost, an endorsement to its mortgagee policy of title insurance, satisfactory to Mortgagee insuring the continued priority of this mortgage and the Butte County Mortgage following such modification, subject only to such exceptions as are approved by Mortgagee in its sole discretion; (5) Grantor shall furnish Mortgagee all necessary documentation and information necessary to process said request; and (6) Grantor shall pay all reasonable fees, costs and expenses incurred by Mortgagee in connection with the consideration of any request for such modification under this Section, and in connection with the execution and delivery of any such partial release or modification, including without limitation, administrative, legal, appraisal and accounting fees and expenses, and all recording, title insurance premiums and title expenses, shall be borne solely by

Grantor and Grantor agrees to pay all such fees, costs and expenses promptly upon presentation of an invoice therefor or upon demand by Mortgagee.

ARTICLE 5 – WARRANTY AND COVENANTS

Warranty of Title. Grantor represents and warrants that, other than the exceptions to title expressly listed on a schedule of exceptions to coverage in the final commitment for title insurance or pro forma policy of title insurance accepted by Mortgagee prior to the Closing, Grantor lawfully possesses and holds fee simple title to all of the Land and Improvements; and that Grantor has the right, power and authority to mortgage, grant, convey and assign the Property. Grantor especially agrees and declares that the separate estate of each of them, whether vested, contingent or in expectancy, is hereby conveyed and shall be bound for the payment and performance of the Secured Obligations.

Water Rights. Grantor represents and warrants that the Water Rights afford the continuing, enforceable right to receive irrigation water on the Property from such sources, in such quantities and at such times and locations as has historically been available to the Property without interruption or substantially increased cost and in any event, based on current projections, sufficient to provide adequate water and/or drainage to continue the current and proposed agricultural operations on the Property.

Performance of Secured Obligations/Compliance with Applicable Law. Grantor shall promptly pay and perform each Secured Obligation in accordance with its terms. Grantor shall not commit or allow any act upon or use of the Property which would violate any Applicable Law, whether now existing or later to be enacted and whether foreseen or unforeseen, or any public or private covenant, condition, restriction or equitable servitude affecting the Property.

Maintenance of Property. Grantor shall maintain and preserve all rights and privileges Grantor now has in the Property; and make any repairs, renewals or replacements to keep the Property in good working condition. Grantor shall keep the Property in good condition and repair; operate the Property, whether improved pastures, orchards, groves, grazing, timber, or crop lands, in a good and husband-like manner in accordance with accepted principles of sound agricultural and forestry practices in the area in which the Land is located; take all reasonable precautions to control wind and water erosion; fertilize improved pastures, if any, where necessary to maintain a good stand of desirable grasses; protect orchards and timber, if any, by reasonable precautions against loss or damage by fire including the maintenance of appropriate fire breaks; and neither to remove nor permit the removal of any oil, gas, mineral, stone, rock, clay, or gravel owned by Grantor, or any timber, buildings, top soil, or fertilizer, without the prior written consent of Mortgagee.

Water Rights. Grantor shall maintain the Water Rights during the term of the Loan at a level and of a nature sufficient to provide the continuing, enforceable right to receive irrigation water on the Property from such sources, in such quantities and at such times and locations as has historically been available to the Property without interruption or substantially increased cost and in any event sufficient to provide adequate water and/or drainage to continue the current and proposed agricultural operations on the Property. All existing Water Rights benefiting or available to the Property shall be maintained in full force and effect for the benefit of the Property by Grantor and applied to beneficial use so as to maintain the validity and priority of such rights. Grantor shall fully comply with, and not permit a default to occur under any water licenses, permits or delivery contracts used to provide water to the Property, and shall timely exercise all renewal or extension rights in such contracts. Grantor shall not modify, amend or terminate any Water Rights without Mortgagee's prior written consent. Grantor shall comply with the rules, regulations and ordinances of any water district, water agency or groundwater management agency in which the Property or any portion thereof is located and pay all related fees and assessments prior to delinquency. All irrigation wells and related facilities used to deliver irrigation water to any portion of the Property shall remain physically located within the boundaries of such Property or the subject of valid, enforceable easements appurtenant to the Property and encumbered hereby. If the use of any irrigation facilities or water serving the Property requires consent or the use of other property, Grantor shall maintain in effect all requisite easements or other legally enforceable and assignable rights to use such facilities and/or water to service the Property. Grantor shall notify Mortgagee if the irrigation water supply

to any portion of the Property is interrupted or subject to interruption for any reason other than temporarily for routine maintenance or repairs in a manner that does not impair the operation of the Property.

Compliance with Applicable Law Grantor shall not commit or allow any act upon or use of the Property which would violate any Applicable Law, whether now existing or later to be enacted and whether foreseen or unforeseen, or any public or private covenant, condition, restriction or equitable servitude affecting the Property.

Taxes and Assessments. Grantor shall pay prior to delinquency all taxes, levies, charges and assessments imposed by Applicable Law or any public or quasi-public authority or utility company which are (or if not paid, may become) a lien on all or part of the Property or any interest in it, and any and all intangible taxes and documentary stamp taxes determined at any time to be due on or as a result of the Secured Obligations, this mortgage or any other Loan Documents, together with any and all interest and penalties thereon (individually and collectively, "Imposition"). If after the date of this mortgage, the State of Idaho passes any law deducting from the value of Land for the purpose of taxation any lien thereon, or changing in any way the laws for the taxation of mortgages or debts secured by a mortgage for state or local purposes, or the manner of the collection of any such taxes, so as to affect this mortgage, then within 180 days after notice by Mortgagee to Grantor, Grantor shall pay all Secured Obligations. Notwithstanding the foregoing provisions of this Section, Grantor may, at its expense, contest the validity or application of any Imposition by appropriate legal proceedings promptly initiated and conducted in good faith and with due diligence, provided that: (1) Mortgagee is satisfied that neither the Property nor any part thereof or interest therein will be in danger of being sold, forfeited, or lost as a result of such contest; and (2) Grantor shall have posted a bond or furnished such other security required from time to time by Mortgagee.

Damages and Insurance and Condemnation Proceeds. Mortgagee may, at its option: (1) in its own name appear in or prosecute any action or proceeding to enforce any cause of action based on warranty, or for damage, injury or loss to all or part of the Property, and it may make any compromise or settlement of the action or proceeding; (2) participate in any action or proceeding relating to any Condemnation Award; and (3) join Grantor in adjusting any Insurance Claim. All insurance proceeds, Condemnation Awards, and proceeds of any other claim based on warranty, or for damage, injury or loss to the Property which Grantor may receive or be entitled to must be paid to Mortgagee. Mortgagee may apply those proceeds first toward reimbursement of all of Mortgagee's costs and expenses, including Legal Fees, incurred in connection with such recovery. The balance shall, at Mortgagee's option, be applied to pay or prepay some or all of the Secured Obligations in such order and proportions as it may choose. GRANTOR HEREBY SPECIFICALLY, UNCONDITIONALLY AND IRREVOCABLY WAIVES ALL RIGHTS OF A PROPERTY OWNER WITH RESPECT TO ALLOCATION OF CONDEMNATION PROCEEDS BETWEEN A PROPERTY OWNER AND A LIENHOLDER.

Site Visits, Observation and Testing. Mortgagee and its agents and representatives may enter and visit the Property at any reasonable time for the purposes of observing it, performing appraisals, taking and removing soil or groundwater samples, and conducting tests on any part of it, as provided in the Unsecured Environmental Agreement, by Mortgagee in favor of Lender and dated as of even date hereof, and otherwise to determine Grantor's compliance with this mortgage.

Prohibited Transfers. Grantor agrees that a material factor in Mortgagee's decision to enter into the Loan Documents is the expertise, financial status and other characteristics of Grantor. Grantor shall not make or permit any Prohibited Transfer. Upon any Prohibited Transfer Mortgagee may declare all Secured Obligations to be due and payable immediately. "Prohibited Transfer" means: (1) any sale, contract to sell, conveyance, encumbrance, pledge, mortgage, or other transfer of all or any material part or interest of the Property, whether voluntary, involuntary, by operation of law or otherwise; provided, however, Grantor may sell or dispose of fixtures and equipment in the ordinary course of their business so long as such items are replaced with items of equal or greater value and utility; (2) if Grantor is a corporation, any transfer or transfers of shares of more than ten percent (or such other portion, if any, permitted under the Note) of the voting power or the direct or indirect beneficial ownership of Grantor, on a cumulative basis, or any dissolution of the corporation; (3) if Grantor is a partnership, withdrawal or

removal of any general partner, dissolution of the partnership under Applicable Law, or any transfer or transfers of more than ten percent (or such other portion, if any, permitted under the Note) of the partnership interests, on a cumulative basis; (4) if Grantor is a limited liability company, withdrawal or removal of any manager or managing member, termination of the limited liability company or any transfer or transfers of more than ten percent (or such other portion, if any, permitted under the Note) of the voting power or the ownership of the economic interest in the Grantor, on a cumulative basis; or (5) if Grantor is a trust, withdrawal or removal of any trustee or revocation of the trust.

Prohibited Transfer Rate. If there is a Prohibited Transfer, Mortgagee may deem the principal balance of the Related Loans and, to the extent permitted by Applicable Law, all other Obligations, increase at the Contract Rate by 2.00% per annum, retroactive to the date of the Prohibited Transfer. Mortgagee's rights under this Section are an option available to Mortgagee, and unless elected by Mortgagee, a Prohibited Transfer will constitute an Event of Default and all Obligations will bear interest at the Default Rate.

Compensation and Reimbursement of Costs and Expenses. Grantor shall pay (1) for any services rendered in connection with this mortgage; (2) all of Mortgagee's costs and expenses incurred in rendering any such services; and (3) all costs, expenses and other advances incurred or made by Mortgagee in an effort to enforce the terms of this mortgage or protect the Property, whether any lawsuit is filed or not, including any bankruptcy or other voluntary or involuntary proceeding, in or out of court, or in defending any action or proceeding arising under or relating to this mortgage, including Legal Fees, and costs of any Foreclosure Sale. If Mortgagee chooses to dispose of Property through more than one Foreclosure Sale, Grantor must pay all costs, expenses or other advances incurred by Mortgagee in each of those Foreclosure Sales.

Indemnification. GRANTOR SHALL INDEMNIFY MORTGAGEE AGAINST AND SHALL HOLD MORTGAGEE HARMLESS FROM ALL LOSSES, DAMAGES, LIABILITIES, CLAIMS, CAUSES OF ACTION, JUDGMENTS, COURT COSTS, LEGAL FEES, COST OF EVIDENCE OF TITLE, COST OF EVIDENCE OF VALUE, AND OTHER COSTS AND EXPENSES WHICH MORTGAGEE MAY SUFFER OR INCUR: (1) IN PERFORMING ANY ACT REQUIRED OR PERMITTED BY THIS MORTGAGE OR ANY OF THE OTHER LOAN DOCUMENTS OR BY LAW; (2) BECAUSE OF ANY FAILURE OF GRANTOR TO PAY OR PERFORM ANY OF THE SECURED OBLIGATIONS; OR (3) BECAUSE OF ANY ALLEGED OBLIGATION OF OR UNDERTAKING BY MORTGAGEE TO PERFORM OR DISCHARGE ANY OF THE REPRESENTATIONS, WARRANTIES, CONDITIONS, COVENANTS OR OTHER OBLIGATIONS IN ANY DOCUMENT RELATING TO THE PROPERTY (OTHER THAN SUCH WARRANTIES, CONDITIONS, COVENANTS OR OTHER OBLIGATIONS IN THE LOAN DOCUMENTS). THIS AGREEMENT BY GRANTOR TO INDEMNIFY MORTGAGEE SURVIVES THE RELEASE AND CANCELLATION OF ANY OR ALL OF THE SECURED OBLIGATIONS AND THE FULL OR PARTIAL RELEASE OF THIS MORTGAGE.

Payments Due Under This Mortgage. Grantor must pay all obligations to pay money arising under this mortgage immediately upon demand by Mortgagee. Each such obligation shall bear interest from the date the obligation arises at the Default Rate.

ARTICLE 6 – EVENTS OF DEFAULT AND REMEDIES

Events of Default. The following each shall be an event of default under this mortgage (an "Event of Default"): (1) an Event of Default (as defined in the Note); (2) a Prohibited Transfer; (3) if Grantor is in default beyond applicable notice and grace periods under any other mortgage, deed of trust, deed to secure debt or other security agreement covering any part of the Property, whether it be superior or junior in lien to this mortgage; (4) for more than ten days after notice from Mortgagee, Grantor is in default under any term, covenant or condition of this mortgage not separately described as an Event of Default, which can be cured by the payment of a sum of money; or (5) for 30 days after notice from Mortgagee, Grantor is in default under any term, covenant or condition of this mortgage not separately described as an Event of Default; provided that if: (A) it is reasonably certain that the default cannot be cured by Grantor within that 30 day period; and (B) Grantor has commenced curing that default within that 30 day period and thereafter diligently and expeditiously proceeds to cure that default, then that 30 day period

shall be extended for so long as reasonably required by Grantor in the exercise of due diligence to cure that default, up to a maximum of 90 days after the notice to Grantor of the Event of Default.

Remedies. At any time after an Event of Default, Mortgagee may invoke any and all of the rights and remedies described below. All of such rights and remedies are cumulative, and the exercise of any one or more of them does not constitute an election of remedies.

Acceleration. Mortgagee may declare any or all of the Secured Obligations to be due and payable immediately.

Receiver. Mortgagee may, to the extent permitted by Applicable Law, make an ex parte application to any court of competent jurisdiction, and obtain appointment of, a receiver, trustee, liquidator or conservator of the Property, without notice, without giving bond, and without regard for the adequacy of the security for the Secured Obligations and without regard for the solvency of Grantor, any Guarantor, or of any Person liable for the payment of the Secured Obligations. GRANTOR HEREBY WAIVES NOTICE OF THE APPLICATION FOR, AND CONSENTS TO THE APPOINTMENT OF A RECEIVER, TRUSTEE, LIQUIDATOR OR CONSERVATOR OF THE PROPERTY IN ACCORDANCE WITH THE PROVISIONS OF THIS SECTION; AND AGREES TO NOT OPPOSE SUCH APPOINTMENT.

Entry. To the extent permitted by Applicable Law, Mortgagee, in person, by agent or by court-appointed receiver, may enter, take possession of, manage and operate all or any part of the Property, and may also do any and all other things in connection with those actions that Mortgagee may consider necessary and appropriate to protect the security of this mortgage. Such other things may include: taking and possessing all of Grantor's or the then owner's books and records; entering into, enforcing, modifying, or canceling leases on such terms and conditions as Mortgagee may consider proper; obtaining and evicting tenants; fixing or modifying rents; collecting and receiving any payment of money owing to Grantor; completing any unfinished construction; and/or contracting for and making repairs and alterations. If Mortgagee so requests, Grantor will assemble all of the Property that has been removed from the Land and make all of it available to Mortgagee at the site of the Land. GRANTOR HEREBY IRREVOCABLY CONSTITUTES AND APPOINTS MORTGAGEE AS GRANTOR'S ATTORNEY-IN-FACT TO PERFORM SUCH ACTS AND EXECUTE SUCH DOCUMENTS AS MORTGAGEE CONSIDERS APPROPRIATE IN CONNECTION WITH TAKING THESE MEASURES, INCLUDING ENDORSEMENT OF GRANTOR'S NAME ON ANY INSTRUMENTS. Regardless of any provision of this mortgage or the other Loan Documents, Mortgagee shall not be considered to have accepted any property other than cash or immediately available funds in satisfaction of any obligation of Grantor to Mortgagee, unless Mortgagee has given express written notice of its election of that remedy in accordance with the UCC.

Cure; Protection of Security. Mortgagee may cure any breach or default of Grantor, and if it chooses to do so in connection with any such cure, Mortgagee may also enter the Property and/or do any and all other things which it considers necessary or appropriate to protect the security of this mortgage. Such other things may include: (1) appearing in and/or defending any action or proceeding which purports to affect the security of, or the rights or powers of Mortgagee under, this mortgage; (2) paying, purchasing, contesting or compromising any encumbrance, charge, lien or claim of lien which in Mortgagee's judgment is or may be senior in priority to this mortgage, such judgment of Mortgagee to be conclusive as among the parties to this mortgage; (3) obtaining insurance and/or paying any premiums or charges for insurance required to be carried under the Note; (4) otherwise caring for and protecting any and all of the Property; and/or (5) employing counsel, accountants, contractors and other appropriate persons to assist Mortgagee. Mortgagee may take any of the actions permitted under this Article either with or without giving notice to any person. Notwithstanding the foregoing, in no event will Mortgagee have any obligation to take any of the actions set forth in this Section.

Uniform Commercial Code Remedies. Mortgagee may exercise any or all of the remedies granted to a secured party under the UCC. To the extent that Applicable Law imposes the duty on Mortgagee to exercise remedies in a commercially reasonable manner, Grantor acknowledges and agrees that it is not commercially unreasonable for Mortgagee to: (1) fail to incur expenses reasonably deemed significant by Mortgagee to prepare the Personalty for disposition or to fail to complete raw material or work in process into finished goods or other finished products for disposition; (2) fail to exercise collection remedies

against account debtors or other persons obligated on the Personalty (directly or through the use of collection specialists), or to fail to remove liens, encumbrances or adverse claims against the Personalty; (3) advertise dispositions of the Personalty through publications or media of general circulation, whether or not the Personalty is of a specialized nature; (4) contact Persons for expressions of interest in acquiring all or any portion of the Personalty; (5) hire professional auctioneers to assist in the disposition of the Personalty, whether or not the Personalty is of a specialized nature; (6) dispose of the Personalty by utilizing Internet sites that provide for or are reasonably capable of the auction of assets of the types included in the Personalty; (7) dispose of the Personalty in wholesale rather than retail markets; (8) disclaim disposition warranties; (9) purchase insurance or credit enhancements to insure Mortgagee against risks of loss, collection or disposition of the Personalty or to provide to Mortgagee a guaranteed return from the collection or disposition of the Personalty; or (10) sell any Personalty jointly with any of the Property or to sell any Personalty in a sale separate from a sale of any of the Property. Grantor acknowledges that the purpose of this Section is to provide a non-exhaustive indication of what actions or omissions by Mortgagee would fulfill Mortgagee's duties under the UCC in Mortgagee's exercise of remedies against the Personalty, and that other actions or omissions by Mortgagee shall not be deemed to fail to fulfill such duties solely on account of not being expressly included or indicated in this Section.

Judicial Action. Mortgagee may bring an action in any court of competent jurisdiction to foreclose this mortgage in the manner provided under Applicable Law for the foreclosure of mortgages on real property or to obtain specific enforcement of any of the covenants or agreements of this mortgage.

Sales of Personal Property. Mortgagee may elect to treat as Personalty any Property which is intangible or which can be severed from the Land or Improvements without causing structural damage. If it chooses to do so, Mortgagee may dispose of any Personalty separately from the sale of real property, in any manner permitted by Article 9 of the UCC, including any public or private sale, or in any manner permitted by any other Applicable Law. Any proceeds of any such disposition shall not cure any Event of Default or reinstate any Secured Obligation.

Single or Multiple Foreclosure Sales. If the Property consists of more than one lot, parcel or item of property, in connection with any sale of the Property described in or permitted under this Article, Mortgagee may: (1) designate the order in which the lots, parcels and/or items shall be sold or disposed of or offered for sale or disposition; and (2) elect to dispose of the lots, parcels and/or items through a single consolidated sale or disposition to be held or made in connection with judicial proceedings, or by virtue of a judgment and decree of foreclosure and sale; or through two or more such sales or dispositions; or in any other manner Mortgagee may deem to be in its best interests (any such sale or disposition, a "Foreclosure Sale"). If it chooses to have more than one Foreclosure Sale, Mortgagee at its option may cause the Foreclosure Sales to be held simultaneously or successively, on the same day, or on such different days and at such different times and in such order as it may deem to be in its best interests. No Foreclosure Sale will terminate or affect the liens of this mortgage on any part of the Property which has not been sold, until all of the Secured Obligations have been paid in full.

Additional Rights. In addition to the rights and powers given to Mortgagee under this mortgage, Mortgagee shall have all such other rights both in law and equity for collection of the indebtedness secured hereby as it would have but for this mortgage.

Credit Bids. At any Foreclosure Sale, any person, including Grantor or Mortgagee, may bid for and acquire the Property or any part of it to the extent permitted by then Applicable Law. Instead of paying cash for that property, Mortgagee may settle for the purchase price by crediting the sales price of the property against the following obligations: first, the portion of the Secured Obligations attributable to the expenses of sale, costs of any action and any other sums for which Grantor is obligated to reimburse Mortgagee; and second, all other Secured Obligations in any order and proportions as Mortgagee may choose.

Application of Foreclosure Sale Proceeds, Rents and Other Sums. Mortgagee shall apply the proceeds of any Foreclosure Sale to pay (or reimburse Mortgagee for payment of) the Secured Obligations in any order and proportions as Mortgagee may choose, with the surplus, if any, to be paid over to Grantor. Mortgagee has no liability for any funds which it does not actually receive.

Waivers. Grantor waives: (1) any right to require Mortgagee to proceed against Grantor, proceed against or exhaust any security held from Grantor, or pursue any other remedy in Mortgagee's power to pursue; (2) any defense based on any legal disability of Grantor, any discharge or limitation of the liability of Grantor to Mortgagee, whether consensual or arising by operation of law or any bankruptcy, reorganization, receivership, insolvency, or debtor-relief proceeding, or from any other cause, or any claim that Grantor's obligations exceed or are more burdensome than those of Grantor; (3) all presentments, demands for performance, notices of nonperformance, protests, notices of protest, notices of dishonor, notices of acceptance of this mortgage and of the existence, creation, or incurring of new or additional indebtedness of Grantor, and demands and notices of every kind; (4) any defense based on or arising out of any defense that Grantor may have to the payment or performance of the Secured Obligations or any part of it; and (5) until the Secured Obligations have been paid and performed in full, all rights of subrogation, reimbursement, indemnification and contribution (contractual, statutory or otherwise), including any claim or right of subrogation under the Bankruptcy Code (Title 11 of the U.S. Code) or any successor statute, all rights to enforce any remedy that Mortgagee may have against Grantor, and all rights to participate in any security now or later to be held by Mortgagee for the Secured Obligations. Grantor waives all rights and defenses that Grantor may have because the Secured Obligations may be secured by real property other than the Property hereby encumbered. This is an unconditional and irrevocable waiver of any rights and defenses Grantor may have because the Secured Obligations may be secured by real property other than the Property. Grantor waives any right or defense it may have at law or equity, to a fair market value hearing or action to determine a deficiency judgment after a foreclosure of any real property other than the Property hereby encumbered. No provision or waiver in this mortgage shall be construed as limiting the generality of any other provision or waiver contained in this mortgage.

Information. Grantor is solely responsible for keeping informed of Grantor's financial condition and business operations and all other circumstances affecting Grantor's ability to pay and perform its obligations to Mortgagee, and agrees that Mortgagee will have no duty to disclose to Grantor any information which Mortgagee may receive about Grantor's financial condition, business operations, or any other circumstances bearing on its ability to perform.

No Mortgagee in Possession. Neither the enforcement of any of the remedies under this Article, the assignment of the Rents and Leases under Article 2, the security interests under Article 3, nor any other remedies afforded to Mortgagee under the Loan Documents, at law or in equity shall cause Mortgagee to be deemed or construed to be a mortgagee in possession of the Property, to obligate Mortgagee to lease the Property or attempt to do so, or to take any action, incur any expense, or perform or discharge any obligation, duty or liability whatsoever under any of the Leases or otherwise.

ARTICLE 7 – MISCELLANEOUS

No Waiver or Cure. Each waiver by Mortgagee must be in writing, and no waiver is to be construed as a continuing waiver. No waiver is to be implied from any delay or failure by Mortgagee to take action on account of any default of Grantor. Consent by Mortgagee to any act or omission by Grantor must not be construed as a consent to any other or subsequent act or omission or to waive the requirement for Mortgagee's consent to be obtained in any future or other instance. The exercise by Mortgagee of any right or remedy under this mortgage or the other Loan Documents or under Applicable Law, shall not: cure or waive a breach, Event of Default or notice of default under this mortgage or invalidate any act performed pursuant to any such default or notice; or nullify the effect of any notice of default or sale (unless all Secured Obligations then due have been paid and performed and all other defaults under the Loan Documents, have been cured); or impair the security of this mortgage; or prejudice Mortgagee or any receiver appointed in accordance with this mortgage, in the exercise of any right or remedy afforded any of them under this mortgage; or be construed as an affirmation by Mortgagee of any tenancy, lease or option, or a subordination of the lien of this mortgage.

Merger. No merger shall occur as a result of Mortgagee's acquiring any other estate in or any other lien on the Property.

Waiver of Dower, Homestead, and Distributive Share. Grantor relinquishes all right of dower, if any, and waives all right of homestead exemption and distributive share in and to the Property. Grantor waives any right of exemption as to the Property.

Waiver of Marshalling. Grantor waives all rights, legal and equitable, it may now or hereafter have to require marshalling of assets or to require upon foreclosure sales of assets in a particular order. Each successor and assign of Grantor, including any holder of a lien subordinate to this mortgage, by acceptance of its interest or lien agrees that it shall be bound by the above waiver, as if it had given the waiver itself.

Waiver of Certain Other Laws. To extent permitted by Applicable Law, Grantor shall not at any time insist upon, plead, claim or take the benefit or advantage of any Applicable Law providing for appraisal, valuation, stay, extension, equity or redemption, any statutory or common law right of redemption, and all other exemptions, and Grantor, for Grantor, and its representatives, successors and assigns, and for any and all persons ever claiming any interest in the Property, to the extent permitted by law, hereby waives and releases all rights of redemption (including, without limitation, any common law or statutory right of redemption), and all other exceptions, as well as valuation, appraisal, stay of execution, or notice of election to mature or declare due the whole of the Secured Obligations in the event of foreclosure of the lien created by this mortgage. WITHOUT LIMITATION, IF THE UNDERSIGNED GRANTOR, OR ANY OF THEM, IS A CORPORATION, GRANTOR HEREBY RELEASES AND WAIVES ANY AND ALL RIGHTS OF REDEMPTION FROM SALE UNDER ANY JUDGMENT OF FORECLOSURE AND EACH OF THE ITEMS WAIVED AND RELEASED ABOVE, ON BEHALF OF GRANTOR, AND EACH AND EVERY PERSON ACQUIRING ANY INTEREST IN OR TITLE TO THE PROPERTY, SUBSEQUENT TO THE DATE OF THIS MORTGAGE, AND ON BEHALF OF ALL OF THE PERSONS TO THE EXTENT PERMITTED BY APPLICABLE LAW OF THE STATE OF IDAHO.

Joint and Several Obligations. If Grantor consists of more than one Person, each Grantor (1) acknowledges and undertakes, together with the other Grantors, joint and several liability for the indebtedness, liabilities and obligations of Grantor under this mortgage; (2) acknowledges that this mortgage is the independent and several obligation of each Grantor and may be enforced against each Grantor separately, whether or not enforcement of any right or remedy hereunder has been sought against any other Grantor; and (3) agrees that its liability hereunder and under any other Loan Document shall be absolute, unconditional, continuing and irrevocable. GRANTOR EXPRESSLY WAIVES ANY REQUIREMENT THAT MORTGAGEE EXHAUST ANY RIGHT, POWER OR REMEDY AND PROCEED AGAINST THE OTHER GRANTOR UNDER THIS MORTGAGE, OR ANY OTHER LOAN DOCUMENTS, OR AGAINST ANY OTHER PERSON UNDER ANY GUARANTY OF, OR SECURITY FOR, ANY OF THE SECURED OBLIGATIONS.

Governing Law/Jurisdiction and Venue. This mortgage shall be governed exclusively by the laws of the State of Idaho without regard or reference to its conflict of laws principles.

General. This mortgage may not be amended, changed, modified, altered or terminated without the prior written consent of Mortgagee. This mortgage may be executed in counterparts, each of which will be an original and all of which together are deemed one and the same instrument. Mortgagee is authorized to execute any other documents or take any other actions necessary to effectuate this mortgage and the consummation of the transactions contemplated herein. Time is of the essence of this mortgage. Each Party has participated in negotiating and drafting this mortgage, so if an ambiguity or a question of intent or interpretation arises, this mortgage is to be construed as if the parties had drafted it jointly, as opposed to being construed against a Party because it was responsible for drafting one or more provisions of this mortgage. When all Secured Obligations have been paid in full, Mortgagee shall execute and deliver to Grantor, a release of the Property from the Lien of this mortgage. Headings and captions are provided for convenience only and do not affect the meaning of the text which follows.
