RE: Notices of Change of Ownership

Dear Mr. Swank:

Please find enclosed Notices of Change in Ownership for water right nos. 35-2664, 35-4064, 35-8071, 35-8581A, 35-8891, 35-12752, 35-12753, 35-12754, 35-12755, 35-13891, and 35-13892. These changes in ownership were precipitated by the passing of Knight "Kay" Hunt and the subsequent distribution of real property through the administration of his will, which is enclosed in this letter.

Mr. Hunt's daughters, Better June Holder, Rena Jo Lott, and Judith Ann Eames retain authority to administrate his will as Co-Personal Representatives. The deeds of distribution for each of the properties to which the water rights are appurtenant, signed by the representatives and notarized, are enclosed with each application. The court administering Mr. Knight's will in Power County issued an order approving final distribution on February 2, 2016, as evidenced by the enclosed Register of Action. We have not yet received a copy of the final order.

Please do not hesitate to contact me with any questions or concerns.

Sincerely,

Sarah A. McCormack
