Dear Mrs. Case,

This is to inform you that Kootenai Environmental Alliance (KEA) is withdrawing its protest of Allen Carl Hyslop for Application for Permit No. 95-17068. We had unfortunately missed the filing deadline for his other permit application which sources water from Hauser Creek, a creek which already experiences low flows and is a source of refresh for Hauser Lake. Permit No-95-17068 sources ground water. I have met with Mr. Hyslop and we have discussed him utilizing water conservation techniques.

Looking Forward,

Adrienne Cronebaugh
Executive Director
